Becoming Beka Series Sarah Anne Sumpolec, 2006-02-01 This set includes all five books of the Becoming Beka series: *The Masquerade*, *The Alliance*, *The Passage*, *The Reveal*, and *The Encore*. In *The Masquerade*, Beka Madison's good girl image has been crumbling around her since her mother's tragic death. She can't let her family discover she's not really a Christian, but her ragged emotions threaten to expose her. *The Masquerade* is an absorbing story of a teenage girl's struggle with self-discovery and the revelation that truth brings freedom. In *The Alliance*, Beka heads back to school with a new found faith, but that faith is tested sooner than she expected. As she spends time with the eclectic theater group, she is pulled further into her friendship with Gretchen, who has become fascinated with the occult and convinces Beka there is no harm in the tarot cards, crystals, and spells. That their group of friends is dabbling in the occult also struggles in her growing relationship with Mark, who is pressuring her to spend time with him behind her father's back. In the midst of all these shifting alliances, Beka must decide where her true loyalties lie. In *The Passage*, it's springtime in Bragg County and love is in the air. A church retreat allows Beka to get to know Josh better, but she learns that even though she likes him, his college choice may put a wrench in their relationship. Confused about her relationship with Josh, Beka seeks out Mark for solace. When Mark tries getting physical with Beka, she ponders issues of purity. In *The Reveal*, Beka, after a summer filled with work and guitar lessons, spends ten days in Haiti before launching into her senior year. She seems to be on stable footing, but everyone around her is falling apart. Surprises await Beka as she faces Gretchen after her two-month stay in detention. Gretchen is darker and moodier. Then there's Mark, who worms his way back into Beka's affections despite her father's refusal to let them officially date. In *The Encore*, Beka returns for the final semester of her senior year and quickly finds herself in trouble. The song she wrote and performed offended a fellow student, and the principal blames Beka and her teacher, Mr. Thompson. Meanwhile, she's torn between two different guys, Mark and Josh. And as she prepares for her father's upcoming wedding, Beka is devastated to learn the family will be moving out of their house and into her dad's fiancée's house. Soon Beka is overwhelmed with decisions, including the option to sign a record contract and move to LA after graduation.

He struck up a conversation with the woman on the barstool next to him, who happened to be a drug sales rep for Johnson & Johnson. Her horrific story about unethical sales practices and the devastating impact they'd had on her family fundamentally changed the nature of how Harris would cover the company and the entire pharmaceutical industry for the Times. His subsequent investigations and ongoing research since that very first conversation led to this book, a blistering exposé of a trusted American institution and the largest healthcare conglomerate in the world. Harris takes us light years away from J&J's image as the child-friendly baby company, uncovering reams of evidence.

Brueggemann,2021-11-17 In these several pieces I have worked to trace out possible interfaces between specific scripture references and matters at the forefront of our common social life It is my hunch that almost without fail such an interface creates a very different angle of vision for any element of our common social life because it situates such a topic in the context of the biblical narrative that is occupied by the holy agency of God Such an alternative angle of vision helps to defamiliarize us from our usual discernment according to the master narrative of democratic capitalism that is most widely shared across the spectrum of conservatives and progressives Because our common angle of vision shared by progressives and conservatives has a very low ceiling of human ultimacy we all of us easily come to think that our particular reading of social reality is absolute and beyond question even if dominated by a tacit ideology It is my bet that an interface with biblical testimony can and will deabsolutize our excessive certitude and permit us to look again at the social facts that are in front of us I do not think and do not suggest that such interfaces with scripture are inevitable they are rather suggestive impressionistic and fleeting the kind of linkage that is available in the matrix of faith that is not fixed on certitude **A**
