While preparing this book for publication, I really began to think of just how much *The Journey* became my purpose. When I first started writing poetry around 15 years ago, I was simply trying to find a way to describe the emotions that were consuming me within at the time. My friend of 22 years committed suicide on Nov 18, 1993. After writing poems afterwards for a couple years, I had decided to create a 100-page book in order to keep a promise I'd made to Bill that his name would live on far past his death. Today, this book marks the 10th edition since that first book, *Follow Your Dreams Someday They Will Come True* James Lagoski.
