Short Stories And Poems For Children Volume 1:

Urdu for Children, Book 1 Sajida Alvi, Humaira Ansari, 1997 Urdu for Children is the first comprehensive instructional package for teaching children Urdu as a second language. It includes a two volume textbook, a workbook for learning the mechanics of Urdu writing, a comprehensive teacher's manual, and an audio cassette. Aimed at North American children between the ages of four and six, Urdu for Children combines traditional and whole language instructional methods. The two volume textbook includes forty lessons, each structured around a story or poem that reflects the theme 'All About Me'. This theme was chosen because children in the primary division show the greatest enthusiasm for things that relate to themselves. The methodology outlined in the teacher's manual was specifically designed to promote the integration of listening, speaking, reading, and writing skills: the children listen to the story or poem recorded on the audio cassette or read by the teacher, repeat it in unison, and read it from the chart. Flash cards, role playing, and drawing are also used to reinforce vocabulary and comprehension. Developed by a team of trained school teachers with extensive backgrounds in teaching Urdu as a heritage language, Urdu for Children will help meet the needs of a rapidly growing Urdu speaking community in North America.

Caribbean Children's Literature, Volume 1 Betsy Nies, Melissa García Vega, 2023-05-18 Contributions by Mar a V Acevedo, Aquino Consuella Bennett, Florencia V Cornet, Stacy Ann Creech, Zeila Frade, Melissa Garc a Vega, Ann Gonz lez, Louise Hardwick, Barbara Lalla, Megan Jeanette Myers, Betsy Nies, Karen Sanderson, Cole Karen Sands, O Connor, Geraldine Elizabeth Skeete, and Aisha T Spencer. The world of Caribbean children's literature finds its roots in folktales and storytelling. As countries distanced themselves from former colonial powers post 1950s, the field has taken a new turn that emerges not just from writers within the region but also from those of its diaspora. Rich in language diversity and history, contemporary Caribbean children's literature offers a window into the ongoing representations of not only local realities but also the fantasies that structure the genre itself. Young adult literature entered the region in the 1970s, offering much needed representations of teenage voices and concerns. With the growth of local competitions and publishing awards, the genre has gained momentum, providing a new field of scholarly analyses. Similarly, the field of picture books has also deepened. Caribbean Children's Literature Volume 1: History, Pedagogy, and Publishing includes general coverage of children's literary history in the regions where the four major colonial powers have left their imprint, addresses intersections between pedagogy and children's literature in the Anglophone Caribbean, explores the challenges of producing and publishing picture books, and engages with local authors familiar with the terrain. Local writers come together to discuss writerly concerns and publishing challenges. In new interviews conducted for this volume, international authors Edwidge Danticat, Junot Díaz, and Olive Senior discuss their transition from writing for adults to creating picture books for children. **The Children's World of Learning, 1480-1880.
