

The background of the entire cover is a deep black space filled with numerous small, distant stars. In the lower half, a bright, glowing horizon line suggests the edge of a planet or a distant star system. A vibrant, multi-colored arc, resembling a rainbow or a comet's tail, curves across the horizon from the right side towards the center. To the left of the horizon, a bright, four-pointed star with a yellow and green glow is visible.
