Francine Milford

Reiki One Manual:

Chakra Reiki Healing Level One Manual Francine Milford, 2013-04-29 Chakra Reiki Healing is a system of natural healing that combines the healing power of Reiki with knowledge of the chakra system. There are three levels of training in this certification: Level One, Level Two, and Level Three. The Master Certification. In Chakra Reiki Healing Level One, you will learn the seven hand positions for the Endocrine system. Each hand position represents a body organ, organ system, and one or more meridians of the body for a total body healing session. Also covered in this manual are hand positions for healing self and positions for healing others. A section in the back of the book will cover protocols for some common ailments and issues. In Chakra Reiki Healing Level One Manual, you will take the next step in using your knowledge of the chakra system to add or subdue the chakras. The student will learn to see a body complaint as either too much or too little. In seeing this, the student will learn how to know whether they should tone or sedate a given chakra. **Reiki One Manual** Patrick Hamouy, 2022-11-25 An excellent Reiki 1 manual is essential for proper learning.
