Short Stories And Tall Tales Book Iii:

SHORT STORIES AND TALL TALES E P WHITNEY, PhD,2014-11-22 Includes The story of life in the railroad track crowd in the late 1930 s as viewed by a teenager paper boy The inside story at a small New England college that turned a sex scandal into an academic affair The uncommon story of a soldier in Viet Nam that chose not to return home to the U S after the conflict ended The story of the first soccer team at Delhi A T and a tribute to Harry Wilkerson The story of an immaculate perception criminally abused

Short Stories and Tall Tales Philip Algar,2021-11-29 In this imaginative book former journalist and occasional broadcaster Philip Algar avoids all the restrictions imposed during Covid and travels in time without any hassle He meets new friends on a conventional UK holiday decades ago and discovers how three young boys play an unexpected role in the war He listens to the reminiscences of two elderly men gazing out to sea from their shelter on a sea front and follows the progress of an unpleasant politician to whom truth is an alien concept How does a dream become part of reality for a man who plays a role in the manufacture of sausages and who is slavishly addicted to the advice offered in his daily newspaper What happens to a young man who has a fantasy about a girl in a suede coat These and other tales are included in this humorous book which is an exercise in escapism

Tall Tales and Short Stories. Vol. III Steve Van Bakel,2005

The Kid Looks Back-Short Stories & Tall Tales Ritchie R. Moorhead,2011-07-12 The Kid Looks Back is a collection of sixty eight stories that cover a wide range of topics I hope that his book will be a gentle hiding place where you can go to get away from something return to something or go where you have never been Some of these stories are true Others are factually true although bit embellished Others are outright fabrications Most look back to a kinder mellower time Digging for worms swimming in a pond using an outhouse or wading in a river may bring gross evaluations from our urbanized cousins I hope that this book introduces them to life with a smile Most of the stories have a message Many are simply humorous Entertainment is the motive Carefree is the mood Try to find yourself within these pages May the beak of reality crack your comfort shell Start anywhere Finish anytime Enjoy

P. Werlock, 2009 Praise for the previous edition Booklist RBB Twenty Best Bets for Student ResearchersUSA ALA Outstanding Reference Source useful Recommended for public libraries and undergraduates **The Tall Tale in American Folklore and Literature** Carolyn Schmidt Brown, 1987 To Carolyn Brown s mind the tall tale is not necessarily an account of the adventures of a larger than life hero nor is it just a humorous first person narrative exaggerated to outlandish proportions The tall tale is also a social statement that identifies and binds a folk group by flaunting the peculiar knowledge and experiences of group members and it is a tool for coping with a stressful or even chaotic world for conquering life s problems by laughing at them Drawing on previous research and her own original fieldwork the author develops in detail this definition of the tall tale as a genre of folklore and she then explores how tall tale methods and meaning have been translated into literary humor She probes the ways that writers have used this genre to create a complex theoretical relationship among text author narrator and reader Finally Brown alludes to the echoes of all tale attitudes and style still found in modern written humor From publisher s description **The Oral-Style South African Short Story in English** Craig MacKenzie, 2021-11-15 This study deals with a particular kind of short story in South African English literature a kind of story variously called the fireside tale tall tale skaz narrative or the term used here the oral style story Most famously exemplified in the Oom Schalk Lourens narratives of Herman Charles Bosman the oral style story has its roots in the hunting tale and camp fire yarn of the nineteenth century and has dozens of exponents in South African literature most

of them long forgotten Here this neglect has been addressed A W Drayson s Tales at the Outspan 1862 provides a point of departure and is followed by discussions of works by William Charles Scully Percy FitzPatrick Ernest Glanville Perceval Gibbon Francis Carey Slater Pauline Smith and Aegidius Jean Blignaut all of whom used the oral style story genre In the work of Herman Charles Bosman however the South African oral style story comes into its own In his Oom Schalk Lourens figure is invested all of the complexity and double voicedness that was latent and largely dormant in the earlier works Bosman demonstrates his sophistication particularly in his metafictional use of the oral style story The study concludes with a discussion of the use of oral forms in the work of more recent black writers among them Bessie Head Mtutuzeli Matshoba and Njabulo Ndebele

True Story, I Swear It - Maybe Harvey Cappel,2013-08 For as far back as I can remember I have told stories I can take nearly any situation or event and make a funny story of it Life is too short to miss out on the fun part Also for many years I have been writing articles and short stories for various newsletters newspapers and even national magazines some paid but most for free I enjoy writing to entertain to inform and to educate I have a different view of the world than the average person and not afraid of sharing it I have for many years wanted to write a book but thought that anything I would have to say would be out of date before I finished the book And then one day not too long ago I had an epiphany life stories humor fun philosophy and basic life lessons don t go out of date So I wrote this book The book is a collection of family stories tall tales a few reprints of previously published newspaper articles a little fun philosophy and a technical issue or two Except for a very few of the stories as noted in the stories all are original works of mine The contents are as you will notice printed and listed simply alphabetically I thought this random arrangement would minimize the potential for one to lose interest and fall asleep reading various versions of the same thing My intent in writing this book was not just to make some extra cash but to put down in writing in a more permanent form some of my life s experiences crazy ideas and a little technical correctness for family friends and a few others to enjoy Please enjoy

Raven: Book Three - Black Rose R T Green,2023-10-23 When Satan s little helper gets real everyone feels the heat In this book Raven and Mika discover the horrifying message of the black rose It s very bad news for Mika Once again the guys have to travel through time and face up to some very dangerous characters This time it is Mika s life at stake and it s down to the others to save her When they find themselves up against a Voodoo high sorceress with nothing left to lose and three famous pirates in a very precarious situation it becomes clear nothing is going to be easy Black Rose is a swashbuckling nail biting adventure set in the dangerous world of early eighteenth century Jamaica where Caribbean pirates still rule the waves and mystical dark forces seem to be lurking in every shadow Raven is a perfect blend of romance comedy action horror and fantasy Full of moments to make you giggle and then reach for the tissue box Check out the series and everything else we do on the rtgreen website Enjoy
