to try out the tasks in practice and to improve my original approach by including helpful suggestions concerning the strengths and weaknesses of the tasks the paper should provide the reader with an evaluation and discussion of the mentioned tasks Furthermore it should describe the usage of Mini Sagas in the language classroom according to their advantages and how the students can benefit concerning reading as well as integrated skills The first paragraph will give a detailed overview of the basics of the genre Mini Sagas and describe the main characteristics of the text type which are needed to understand the genre and the presented tasks

**Reachable Stars** George E. Lankford, 2007-08-05 Lankford's volume focuses on the ancient North Americans and the ways they identified patterned ordered and used the stars to light their culture and illuminate their traditions
