Lighting Up Creepy Hollow

In the spooky town of Creepy Hollow, there lived a monster named Sheriff Spike. Sheriff Spike was a big, friendly monster with a heart of gold. He loved his job as sheriff. There was just one little thing that made his job difficult He was scared of the dark.

Every night, when the sun went down, Sheriff Spike would get a little spooked out. He would lock all the doors and windows in the police station, and he would turn on every light he could find. He even slept with a nightlight on!

One day, Sheriff Spike was patrolling the town when he saw a little girl crying. It turned out that the little girl was scared of the dark too! Sheriff Spike knew how she felt, so he decided to do something about it.

He went back to the police station and came up with a plan. He would make the town the brightest place in the world!

Sheriff Spike put up extra streetlights, and he even painted the town's buildings with glow-in-the-dark paint. He also hung a giant, shining disco ball over the town square!

From that day on, the town of Creepy Hollow was never dark again. And Sheriff Spike was no longer afraid of the dark either. He was so proud of himself for making his town a safe and happy place for everyone.
