Mammoth Cave Melanie Miller-Inman, 2023-01-30 The author's family has over the years fallen in love with Mammoth Cave National Park which is located near Cave City Kentucky The love of this wonderful and mysterious place started back in the 1960s with the author's father J David Miller who was there as a teen trapping deer with the United States government and spread to the author's mother Judy then on to the author and her husband Tony in between the years of 1980 and 2004 The author wishes to share with her readers her family's love of an amazing place in southwestern Kentucky

Cornlegus di Journeyman Cornell Bunting, 2023-12-15 Cornlegus Di Journeyman is a compelling and multi dimensional story that blends elements of fantasy destiny and the eternal struggle between good and evil The character of Cornlegus blessed with unique abilities and shaped by his mother's sacrifices provides a strong foundation for exploring themes of heroism self discovery and leadership responsibilities The narrative's interplay between different periods and realms adds depth to the plot and allows for various adventures and challenges The elements of this story can be used to explore parallels between Cornlegus journey of helping the weak and oppressed Cornlegus is a man of peace But peace at times can only be won through war So he has been blessed by the gods with unique abilities that make him fit to fight and lead armies in battle His life began as the child of a mystic sorceress She was a woman driven by love who only used her

powers to heal But the fear and greed of those around her forced her to live a nomadic life carrying her son Cornlegus from place to place She stayed and healed the sick in each place until the villagers drove her out or the opportunistic leaders tried to sell access to her gift She never knew the gods kissed her son with his powers until it was too late for him to save her With her dying breath she sends him on his quest as a journeyman traveling from region to region helping those he could learning what he must and slaying those who preyed on the weak until a chance meeting with a great warrior king Victus changed his life forever Though their first meeting is tense and nearly fatal Victus takes Cornlegus under his wing and mentors him At the same time two other wars in two different periods were being waged The spirits draw Cornlegus from his time into other worlds where he fights for the weak and oppressed He finally returns to his own time to learn that Victus is dead and he must take over as the warrior king He leads valiantly Then with his wife and children by his side he announces it is time for them to move on A new leader is chosen in his place and the InnerVoice whom he had trusted to lead him moves him to other realms where a rescuer a savior and a warrior are needed to bring justice

Ethics Without Intention Ezio Di Nucci,2014-08-28 Ethics Without Intention tackles the questions raised by difficult moral dilemmas by providing a critical analysis of double effect and its most common ethical and political applications The book discusses the philosophical distinction between intended harm and foreseen but unintended harm This distinction which according to the doctrine of double effect makes a difference to the moral justification of actions is widely applied to some of the most controversial ethical and political questions of our time collateral damages in wars and acts of terrorism palliative care euthanasia abortion and embryo research self defence suicide and self sacrifice It is also crucial to the now notorious theoretical cases of the trolley problem and the knob effect Di Nucci approaches the doctrine of double effect from four key directions its historical origins which can be traced further back than the classic attribution to Aquinas its theoretical coherence which is the subject of a lively contemporary debate in philosophy its moral intuitiveness which has always been taken for granted but has recently begun to be questioned and finally its relevance to the difficult moral and political decisions of our time An engaging and comprehensive introduction to the doctrine of double effect

The Meaning of Meat and the Structure of the Odyssey Egbert J. Bakker,2013-04-18 This comprehensive study of the Odyssey sees in meat and meat consumption a centre of gravitation for the interpretation of the poem It aims to place the cultural practices represented in the poem against the background of the agricultural lived reality of the poem s audiences in the archaic age and to align the themes of the adventures in Odysseus wanderings with the events that transpire at Ithaca in the hero s absence The criminal meat consumption of the suitors of Penelope in the civilised space of Ithaca is shown to resonate with the adventures of Odysseus and his companions in the pre cultural worlds they are forced to visit The book draws on folklore studies the anthropology of hunting cultures the comparative study of oral traditions and the agricultural history of archaic and classical Greece It will also be of interest to narratologists and students of folklore and Homeric poetics

Encyclopedia of American Film Serials Geoff Mayer,2017-02-23 From their

heyday in the 1910s to their lingering demise in the 1950s American film serials delivered excitement in weekly installments for millions of moviegoers despite minuscule budgets nearly impossible shooting schedules and the disdain of critics Early heroines like Pearl White Helen Holmes and Ruth Roland broke gender barriers and ruled the screen Through both world wars such serials as Spy Smasher and Batman were vehicles for propaganda Smash hits like Flash Gordon and The Lone Ranger demonstrated the enduring mass appeal of the genre Providing insight into early 20th century American culture this book analyzes four decades of productions from Pathe Universal Mascot and Columbia and all 66 Republic serials

Isabel and the Magic Jewelry Box Marcus Daley, 2007-03 Her legs tensed ready to leap back She arched her arm up as far away from the box as she could while still lifting the lid As she lifted the lid her mouth fell ajar slack jawed with astonishment Inside her jewelry box was a miniature girl about the length of her hand sitting in one of the jewelry separators her hands covering her eyes weeping What could be more exciting than discovering portals connecting to another world On a wintry Saturday morning Isabel learns the secret of her grandmother s jewelry box and sets off on a quest to help two magical visitors find their way home With uncharacteristic courage Isabel confronts a crossroads between two universes and the dangers lurking near the mysterious portals Only with the help of her new friends and her grandfather s magic can she overcome the challenges endangering both worlds Isabel and the Magic Jewelry Box is a rare tale that speaks to both young and old Isabel s untapped courage and strength resonates but it is Isabel s relationship with her family that serves as a gentle reminder to never underestimate the value of listening and loving consideration

Investing in Health and Wellbeing Christopher Dye,2024-09-17 The proverbial benefits of prevention over cure are self evident and yet we are reluctant to invest in protecting and improving our health Resolution of this age old dilemma begins with a timeless truth the benefits of good health come at a cost prevention is not better than cure at any price Protecting health should be appealing when a high risk high value hazard can be averted rapidly with certainty and at relatively low cost Similar reasoning applies when the goal is to make health gains not merely to avoid health losses Health choices are rational based on values that are personal Investing in Health and Wellbeing When Prevention Is Better than Cure Second Edition provides a framework to promote and protect health as an asset illustrating the principles with practical examples Application of these ideas helps to explain why prevention is a low priority for health services why the world was not ready for the COVID 19 pandemic why deadly infections like tuberculosis are neglected why cigarette smoking is still commonplace why billions still do not have access to safe sanitation and why the response to climate change has been so slow Much more money and effort are invested in health promotion and disease prevention today than is commonly thought but the enormous avoidable burden of illness is reason to look for ways of investing still more Previously published as The Great Health Dilemma ISBN 9780198853824 in 2021 this second updated edition makes prevention part of a broader vision for better health This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations
