Some Great Thing:

Some Great Thing Colin McAdam, 2014-10-21 A powerful poetic bawdily funny and tenderly sad novel about class about love about drink about poetics about land and about money O The Oprah Magazine Real estate developer Jerry McGuinty is a self made man from a blue collar world a master craftsman who strives to fill the growing Canadian city of Ottawa with beautiful homes and has a soft spot for his alcoholic unpredictable wife Simon Struthers is a civil servant from a prominent wealthy family who shapes land use policy and moves between women consumed by a frantic emptiness When their two stories begin to intertwine their lives and ambitions are set on a collision course A richly observed story of family social class love and the individual contributions we make to the bigness of the world **Some Great Thing** is a reflection on the meaning of home and a compelling bawdy debut Publishers Weekly

Go Do Some Great Thing Kilian Crawford, 2020-10-10 Living in pre Civil War Philadelphia young Black activist Mifflin Gibbs was feeling disheartened from fighting the overwhelming tide of White America's legalized racism when abolitionist Julia Griffith encouraged him to go do some great thing These words helped inspire him to become a successful merchant in San Francisco and then to seek a more just society in the new colony of Vancouver Island where he was to become a prominent citizen and elected official Gibbs joined a movement of Black American emigrants fleeing the increasingly oppressive and anti Black Californian legal system in 1858 They hoped to establish themselves in a new country where they would have full access to the rights of citizenship and would be free to seek success and stability Some six hundred Black Californians made the trip to Victoria in the midst of the Fraser River Gold Rush but their hopes of finding a welcoming new home were ultimately disappointed They were to encounter social segregation disenfranchisement limited employment opportunities and rampant discrimination But in spite of the opposition and racism they faced these pioneers played a pivotal role in the emerging province establishing an all Black militia unit to protect against American invasion casting deciding votes in the 1860 election and helping to build the province as teachers miners artisans entrepreneurs and merchants Crawford Kilian brings this vibrant period of British Columbia's history to life evoking the chaos and opportunity of Victoria's gold rush boom and describing the fascinating lives of prominent Black pioneers and trailblazers from Sylvia Stark and Saltspring Island's notable Stark family to lifeguard and special constable Joe Fortes who taught a generation of Vancouverites to swim Since its original publication in 1978 **Go Do Some Great Thing** has remained foundational reading on the history of Black pioneers in BC Updated and with a new foreword by Adam Rudder the third edition of this under told story describes the hardships and triumphs of BC's first Black citizens and their legacy in the province today Partial proceeds from each copy sold will be donated to the Hogan's Alley Society *Love, the Greatest Thing In the World* Henry Drummond, 2022-11-13 In *Love the Greatest Thing In the World* Henry Drummond explores the profound essence of love as the highest virtue emphasizing its transformative power in human relationships and society at large Written in a lyrical yet didactic style Drummond intertwines anecdotes biblical references and philosophical reflections

to illustrate love's role as a unifying force. Situated in the 19th century revivalist movement, the work emerges as a response to the growing industrialization and materialism of the era, seeking to rekindle spiritual depth and interpersonal connection through the lens of divine love.

Henry Drummond (1851–1897), a Scottish preacher, biologist, and writer, was deeply influenced by the Ethical Movement and the Social Gospel, which sought to address societal issues through moral reform and spiritual awakening. His extensive work as a revivalist and his interest in science reflect his belief in harmonizing faith with rational thought. These experiences culminated in this seminal work, wherein he articulates a comprehensive vision of love that challenges the prevailing sentiments of his time. This book serves not only as a theological treatise but also as a powerful manifesto for those seeking to understand the dynamics of love and its central role in human existence. Drummond's eloquent prose and heartfelt declarations make it a timeless read, offering invaluable insights for anyone interested in the complexities of love, morality, and the human spirit.

Some Great Thing Introduction

In the digital age, access to information has become easier than ever before. The ability to download Some Great Thing has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Some Great Thing has opened up a world of possibilities. Downloading Some Great Thing provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Some Great Thing has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Some Great Thing. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Some Great Thing. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Some Great Thing, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Some Great Thing has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
