novels Ricky Nishikawa I'm starting freshman year in a new town. If that wasn't bad enough, I keep getting picked on by a bully. And he's really, really hot. Enrollment is now open. Experience the ultimate gay high school romance in this coming of age series filled with passion and self discovery. **Pride High : Book 2 - Orange** Jay Bell, 2023-04-18 Welcome back to Pride High where the delicious drama continues. Ricky tries to sort through his feelings for Diego, the hot guy who has been bullying him, and ends up in the middle of a feud. Anthony and Cameron, now a couple, must navigate first times and coming out. Silvia finds herself questioning her feelings for Omar when someone else catches her eye, and it's a girl. Mindy finally gets to go on a date with a boy who isn't gay. Love is in the air, but so are the holidays, pressure from parents, drunken parties, and way too many well-meaning lies. It's going to be an interesting year. Jay Bell successfully mixes playful banter, memorable characters, and mature issues in the continuing Pride series as a group of queer teenagers try to figure out who they are and who they love. **Out of Time, Into You** Jay Bell, 2021-11-10 Would you travel back in time to find your soulmate? This high heat gay love story will haunt your heart. I met a really special guy. Daniel Parker has an incredible body, a curious mind, and my god, is he sweet. The only catch is that he was born in a different century. As crazy as it sounds, a freak accident whisked me back to the 1950s. There might be a way to return to my own time, but how could I ever leave him? Before I arrived, Daniel didn't even know that two men could be in a romantic relationship together, and I've never fallen so hard for someone. I only hope I can keep our love safe in a bygone era where people have outdated beliefs about race and sexuality. There's gotta be a way, though, right? I just want us to always be together, no matter when. **Out of Time Into You** tells the incredible story of two young men whose powerful love transcends time. **Pride High : Book 4 - Green** Jay Bell, 2024-09-01 Junior year kicks off at Pride High ushering in hotter romance and higher stakes. Ricky returns from a summer of exile only to realize how difficult it will be to win Diego's heart again. Anthony discovers the joy of wearing makeup, making him an even bigger target at school as he continues to challenge gender stereotypes. Cameron, desperate to protect his boyfriend, runs for student council president to prevent a narcissistic jerk from winning. Keisha tries to unravel the mystery of a twin sister who flirts often but reveals little. Omar has a new girlfriend. Mindy has a chance to win the man of her dreams, and Silvia keeps smoking pot to forget about the one who got away. Dangerous feuds, break ups, and unrequited feelings. The problems are bigger than ever, but so are the potential rewards as a ragtag group of LGBT teenagers pursue love and self acceptance. **Switch!** Jay Bell, 2024-03-03 Switching bodies always seems so fun in the movies. More often than not, kids swap places with their parents. Cue the hijinks. That's merely fiction. Switching bodies is possible, as I recently discovered, but it takes more effort than you'd imagine. I'm getting the hang of it, though, and just in time, because a group of bullies are making my life hell. I'm not interested in revenge. This body swapping thing is my ticket out of here. I can be absolutely anyone I want and live any sort of life. Just imagine the possibilities. I think I figured out who I'm going to be, but it's a big risk. The kind that there's no turning back from. **Switch** tells the story of a young man who sets out into the world to explore his new ability while making friends.

The Art and Thought of Heraclitus

Heraclitus,1981-09-03 Behind the superficial obscurity of what fragments we have of Heraclitus thought Professor Kahn claims that it is possible to detect a systematic view of human existence a theory of language which sees ambiguity as a device for the expression of multiple meaning and a vision of human life and death within the larger order of nature The fragments are presented here in a readable order translation and commentary aim to make accessible the power and originality of a systematic thinker and a great master of artistic prose The commentary locates Heraclitus within the tradition of early Greek thought but stresses the importance of his ideas for topical theories of language literature and philosophy
