Frederick Houk Borsch

Son Of Man:

Son of Man Alexander Men, 1998 Fr Men's major work on the history of Christianity Written over a period of 40 years as part of an 8 volume series on the history of religion Christ's life described through the Gospels and Epistles "Son of Man" Richard Bauckham, 2023-07-25 Who is the Son of Man In pre Christian Jewish writings Son of Man was not a title and it certainly did not indicate divinity It was simply an expression for a man Yet the term has held considerable interest among scholars of Christology for its use in describing Jesus in the gospels And among those studying messianism in Second Temple Judaism consensus about the valences of Son of Man in Scripture remains elusive In the first volume of this landmark study Richard Bauckham pushes the conversation forward explicating the phrase Son of Man as it appears in Jewish interpretations of the book of Daniel and in the apocryphal book of 1 Enoch With philological precision and sensitivity to his sources Bauckham attunes us to the realities of early Jewish eschatology Thorough and comprehensive Son of Man vol 1 offers scholars a solid basis for understanding the context of the messiah in the centuries leading up to Jesus Along with the forthcoming second volume which parses the meaning of Son of Man in the Gospels Bauckham's work is essential for understanding one of the most widely used yet misunderstood phrases in the Bible **"The Son of Man" as the Son of God** Seyoon Kim, 2011-07-20 **The Son of Man** Chrys C. Caragounis, 2011-08-25 Jesus, Son of Man Barnabas Lindars, 1984 *'The Son of Man'* Edwin A. Abbott, 2014-07-17 Originally published in 1910 this book contains an exhaustive study of the use of the phrase Son of Man in the Old and New Testaments Abbott illustrates how Christian writers used the mystical trope present in many books of Jewish prophecy to convey their belief in Christ as an eschatological figure foretold by Scripture This book will be of value to anyone with an interest in Christology and the use of this enigmatic title in Jewish and Christian theology *The Expression Son of Man and the Development of Christology* Mogens Mueller, 2014-10-20 Son of Man is practically the only self designation employed by Jesus himself in the gospels but is used in such a way that no hint is left of any particular theological significance Still during the first many centuries of the church the expression as it was reused was given content first literally as signifying Christ's human nature Later Son of Man was thought to be a christological title in its own right Today many scholars are inclined to think that in an original Aramaic of an historical Jesus it was little more than a rhetorical circumlocution referring to the one speaking Mogens Mueller's *The Expression Son of Man and the Development of Christology A History of Interpretation* is the first study of the Son of Man trope which traces the history of interpretation from the Apostolic Fathers to the present concluding that the various interpretations of this phrase reflect little more than the various doctrinal assumptions held by its interpreters over centuries **The Son of Man in the Gospel of John** J. Harold Ellens, 2010 In this monograph the focus is on the Son of Man in the Gospel of John There is nothing of the Ezekiel tradition in John but Daniel's heavenly Son of Man is evident in the mind of this Gospel's author who envisages him as divine of heavenly origin Indeed in John the Son of Man is the divine Logos God's revelation of himself As

against the Enochic and Synoptic Son of Man the Johannine Son of Man is not a human being who is exalted to heaven and who will come again as the final Judge He is a divine figure who descends to earth to remove evil now by forgiving sins and by establishing God's universal reign J Harold Ellens is Research Scholar Department of Near Eastern Studies University of Michigan Ann Arbor Michigan

The Son of Man in Myth and History Frederick Houk Borsch, 2007-03-01 Borsch has not answered all the questions of course Who can But his view of the Man tradition makes more sense to me than for example Perrin's rather cavalier dismissal of the evidence and it not only enlightens but also enlivens the discussion As against the extreme skeptics Borsch is also convincing to me in arguing the case for a large measure of authenticity in the Son of man tradition in the Gospels If the proof of the pudding is in the eating the book constantly calls me back to its pages for insight regarding the problem both in its historical dimension and in its bearing upon the meaning of Jesus of Nazareth for faith today Theology The author is well aware of the difficulties involved in entering a field wherein so much investigation has been done And of this with the positive and negative conclusions he gives an excellent survey crisp and critical The lines opened up will engage the attention of a new and more positive chapter in the form critical argument London Quarterly and Holborn Review Frederick H Borsch is the retired Bishop of the Episcopal Diocese of Los Angeles and Professor of New Testament and Chair of Anglican Studies at The Lutheran Theological Seminary at Philadelphia He is also the former Dean of the Chapel at Princeton University His other books include The Spirit Searches Everything Keeping Life's Questions The Bible's Authority in Today's Church Introducing the Lessons of the Church Year A Guide for Lay Readers and Congregations and The Christian and Gnostic Son of Man

The Son of Man Glorified Jeff Reintgen, 2012-11-30 John 13 31-32 So when he had gone out Jesus said Now the Son of Man is glorified and God is glorified in Him If God is glorified in Him God will also glorify Him in Himself and glorify Him immediately Jesus Christ the second Adam the Son of Man glorified God by His obedience to the cross This work of redemption is the basis by which all the counsels of God are accomplished All that God does for man all that He works out on mankind's behalf has its foundation upon the death of the Son of Man God will eventually gather all things in heaven and on earth into the raised and glorified Christ God will be glorified in all that He does and He has exalted the resurrected Son of Man to His right hand in glory This is where it begins When this Man had finished His work He forever sat down in regards to a completed redemption Heb 10 12 From this point all God's counsels begin to unfold If the believer will read this book and ask the Spirit of God to teach you you will never be the same All of Scripture will open up to you The believer has been given the Spirit of God that you may know all these things and you have the mind of Christ I Cor 2 12-16 Now the Son of Man is glorified

The Son of Man in Mark Morna Dorothy Hooker, 1967 It is essential to understand the origin meaning and use of the term Son of Man if the Gospels are to be intelligently interpreted but no phrase has in recent years caused so much scholarly debate and division of opinion Dr Hooker studies the term and concepts associated with it in the Old Testament in I Enoch and in other inter testamental literature and then examines the Marcan occurrences in the context of the Gospel as a whole finding a coherent pattern throughout in term of which each occurrence has its proper relevance The book thus offers a challenge to the present trend of interpretation which has recently been strengthened by the studies of A J B Higgins and H E T dt but its conclusions are reached without conservative presuppositions and with a thorough study of the evidence The importance of this book for New Testament studies is assured

Chaos and the Son of Man Andrew Angel,2006-08-27 Andrew Angel briefly reviews the work of Old Testament scholars on the mythological motif of God's battle with the dragon and the chaos waters He also reviews works that touch on the existence of the motif in the period 515 BCE to 200 CE noting the need for thorough survey of the motif in Hebrew literature of this period There follows a study of forty two Jewish and Christian texts in Hebrew Aramaic Greek and Latin which establishes the fact that this mythological motif was well known in this period Angel makes suggestions as to how this might offer fresh insights into the meaning of apocalyptic visions and texts that appear to refer to a son of man figure in this period

The Son of Man in the Teaching of Jesus A. J. B. Higgins,2005-08-22 This study concludes that the concept of the Son of Man originated in the Jesus preaching

The Message of the Son of Man Edwin A. Abbott,2023-12-23 The present treatise invites the general reader to take a brief and comprehensive view of the results of a long and detailed investigation into the meaning of Christ's self appellation in which the investigator starts from the hypothesis that Jesus was more likely to be influenced by the Jewish scriptures than by the Jewish apocrypha The latter should certainly be called in to our aid but in the author's judgment not until the former have been fully utilized IF we had to select from the gospels two or three phrases that seemed fittest to give a clue to the meaning of Christ's deepest doctrine the Son of Man would seem to claim a place in the selection It is applied to Christ in all the four gospels and that frequently and near the end as well as near the beginning of His career It never proceeds from a friend never from an enemy never from an evangelist or neutral relator but practically always from our Lord Himself This self appellation is connected sometimes with a claim to authority sometimes with a recognition that the Claimant has been rejected sometimes with predictions that He is destined to suffer and to die and to be raised up sometimes with descriptions of a future Coming in glory If we could understand why He chose this unvarying title to describe Himself amid such various circumstances we might gain more insight into His conception of the nature of His mission
