They're alike except for sensor resolution; the 350 has the highest available in any consumer model and are perfect for anyone ready to move up from point and shoot cameras. That's because they actually allow photographers to view the scene in front of them on the LCD monitor prior to shooting. Owners will look to this guide to find out how to use the Live Preview with AF and exposure control, adjustable variable angle LCD monitor that flips out and twists and Super SteadyShot R image stabilization that vastly reduces blur. *Popular*
