The City in China Ray Forrest, Julie Ren, Bart Wissink, 2020-07-15 In 1915 Robert Park penned his seminal paper The City Suggestions for the investigation of human behaviour in the city environment This essay provided an agenda for the Chicago School of Urban Sociology which formed the basis of urban research for decades Given that China's urban centres now occupy the spotlight that once belonged to American cities Park's essay is a platform and point of departure for this volume which gathers together reflections from a broad range of urban China specialists to consider Park's relevance today for cities in China for questions about the social life of the city and for urban research more generally Essential for a broad range of urban studies scholars this book is an invaluable teaching resource and a useful tool for policy makers and planners

Do-it-yourself Democracy Caroline W. Lee, 2015 In Do It Yourself Democracy sociologist Caroline W Lee examines how participatory innovations have reshaped American civic life over the past two decades Lee looks at the public engagement industry that emerged to serve government corporate and nonprofit clients seeking to gain a handle on the increasingly noisy demands of their constituents and stakeholders New technologies and deliberative practices have democratized the ways in which organizations operate but Lee argues that they have also been marketed and sold as tools to facilitate cost cutting profitability and other management goals and that public deliberation has burdened everyday people with new responsibilities without delivering on its promises of empowerment

Television Sitcom and Cultural Crisis Holly Willson Holladay, Chandler L. Classen, 2024-06-21 This volume demonstrates that television comedies are conduits through which we might resist normative ways of thinking about cultural crises By drawing on Gramscian notion of crisis and the understanding that crises are overlapping interconnected and mutually constitutive the essays in this collection demonstrate that situation comedies do more than make us laugh they also help us understand the complexities of our social world's moments of crisis Each chapter takes up the televisual representation of a modern cultural crisis in a contemporary sitcom and is grounded in the extensive body of literature that suggests that levity is a powerful mechanism to make sense of and cope with these difficult cultural experiences Divided into thematic sections that highlight crises of institutions and systems identity and representation and speculation and futurism this book will interest scholars of media and cultural studies political economy communication studies and humor studies
