Boards That Dare Marc Stigter, Cary Cooper, 2018-04-19 Boards That Dare offers actionable solutions to help board directors chairs and CEOs move away from outmoded thinking and practices THE CHALLENGE Corporate boards as fiduciaries are responsible for delivering maximum value and the highest standards of care The persistent misconception that boards should be driven primarily by shareholder value will soon

be an outdated one and boards that continue to apply narrow interpretations of value and care are unlikely to survive THE OPPORTUNITY This book reveals a future proofing opportunity for courageous boards to redefine value and care for employees consumers communities society the environment and shareholders There is no point in trying to reframe value and care for a wider range of audiences if boards don t have the right capabilities and attitudes themselves THE SOLUTION Boards that Dare invites boards to challenge shortcomings in their own ability understanding and courage The book shows how boards embracing this new kind of broadened fiduciary dynamism will become future proof and realize sustained shareholder value as an output THE RESEARCH Based on the authors first hand experiences as well as their own research and interviews with board members and chairs of international private public and not for profit organizations this highly practical and cutting edge book delivers the necessary solutions on how to future proof today s boards *Bulletin of the Atomic Scientists* ,1989-01 **Congressional Record** United States. Congress,1975 *Bulletin of the Atomic Scientists* ,1963-05 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world
