exotic ports of call Greek romances Roman satires medieval Sanskrit novels narrated by parrots Byzantine erotic thrillers 5000 page Arabian adventure novels Icelandic sagas delicate Persian novels in verse Japanese war stories even Mayan graphic novels Throughout Moore celebrates the innovators in fiction tracing a continuum between these pre modern experimentalists and their postmodern progeny Irreverent iconoclastic informative entertaining *The Novel An Alternative History* is a landmark in literary criticism that will encourage readers to rethink the novel Ordinary is Perfect D. Jackson Leigh, 2019-01-15 Army veteran Catherine Daye long ago accepted her passable looks mediocre talent and average intelligence In fact she bought a rundown farm on seventy acres to retreat from the world and live out her simple ordinary life Atlanta marketing superstar Autumn Swan s world is anything but simple Constantly plugged in to what s trending on social media it s her job to keep her clients ahead of the competition When her favorite cousin dies suddenly she finds herself the owner of a modest country home guardian to a sullen tomboyish ten year old and neighbor to an intriguing woman who isn t as ordinary as she appears *The Late Work of Margaret Kroftis* Mark Gluth, 2009-12-11 Evocative emotional Readers looking for something different will appreciate this work Library Journal During the later days of her life Margaret Kroftis is a writer living alone As she experiences a personal tragedy the narrative of this novel moves forward in an emotionally coherent manner that exists separately from linear time Themes of loss and grief cycle and repeat and build upon each other They affect the text and create a complex structure of crosshatched narratives within narratives These mirror each other while also telling unique stories of loss that are at the same time separate from Margaret s and deeply intertwined This groundbreaking debut demonstrates an affinity with the work of such contemporary European writers as Greta Kristoff and Marie Redonnet while existing in a place and time that is uniquely American Composed in brief paragraphs and structured as a series of vignettes pieces of fiction and autobiography *The Late Work of Margaret Kroftis* creates a world in which a woman s life is refracted through dreamlike logic Coupled with the spare language in which it is written this logic distorts and heightens the emotional truths the characters come to terms with while elevating them beyond the simply literal In *The Late Work of Margaret Kroftis* Mark Gluth does something I ve never seen another author do he captures perfectly the feel of daydreams Though everybody in the book daydreams Gluth doesn t simply describe their thoughts instead he does something better and more brilliant he infuses his words with the deceptive simplicity and surrealism of the fantasies we dream up for ourselves Like daydreams his book is brief but powerful like daydreams it is both heartbreakingly hopeful and heart stoppingly honest It s a reverie that s a revelation It is great Derek McCormack author of *The Show that Smells*
