**The History of al-Ṭabarī Vol. 31** , 2015-06-29 This section of the History of al abar covers the caliphate of Mu ammad al Am n who succeeded his father H r n al Rash d on March 24 809 and was killed on September 25 813 The focus of this section is a single event the civil war between al Am n and his half brother al Ma m n Before his

death al Rashid had arranged for the succession in a series of documents signed at Mecca and deposited for safekeeping in the Ka'bah Al Amin was to become caliph al Ma'mun was to govern Khurasan with virtual autonomy from Baghdad Al Amin could neither remove his brother from office nor interfere with his revenues or military support Furthermore al Ma'mun was named as al Amin's successor and al Amin was forbidden to alter the succession If either brother violated these conditions he was to forfeit his rights It soon became apparent that the good will to carry out these arrangements did not exist Disagreement broke out when al Amin insisted that many of the forces that had accompanied al Rashid and al Ma'mun to Khurasan return to Baghdad When the majority of army commanders obeyed the new caliph's orders al Ma'mun was enraged and countered with measures to secure his position Angry letters were exchanged with al Amin pressing his brother to make concessions that al Ma'mun regarded as contrary to the succession agreement By March 811 military conflict was imminent Al Amin demanded that certain border districts be returned to the control of Baghdad When al Ma'mun refused al Amin despatched an expedition to seize the districts Al Amin's resort to force ended in disaster Al Ma'mun's forces led by al-Harith ibn al-Usayn and Harthamah ibn A'yan quickly closed in on Baghdad In a siege lasting over a year Baghdad suffered extensive damage from the fighting and from bombardment by siege engines Gangs of vagrants and paupers organized by al Amin into irregular units fought a kind of urban guerrilla war But with Tahir and Harthamah enforcing the siege and with most of al Amin's associates having switched their loyalties to the winning side the caliph was forced to sue for terms These were worked out among representatives of al Amin Tahir and Harthamah However when the caliph boarded the boat that was to take him into Harthamah's custody troops loyal to Tahir assaulted and capsized the boat Al Amin fell into the Tigris was apprehended and was executed that night on orders from Tahir Thus ended this phase of the civil war Al Ma'mun was now caliph Al-Abbas's history of these years includes accounts by participants in the event diplomatic letters between al Amin and al Ma'mun Tahir's long letter to al Ma'mun on the circumstances of al Amin's death and a dramatic eyewitness account of al Amin's last hours Also noteworthy is a 135 verse poem describing the devastation of Baghdad The section ends with a series of literary anecdotes on the character of al Amin

**Evangelicalism** Richard Kyle, 2017-09-20 Most forms of religion are best understood in the context of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In Evangelicalism Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America's culture and unabashedly populist Many Evangelicals view America as God's chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful
