frame establish by the goal setter to complete and accomplish a particular task Normally goal setters classify goals into categories short term and long term For a tantamount of consumers and shoppers once a goal is set it stays at the center of attention until the goal is accomplished Totally different from a goal__putatively a passion so to speak is something that you love to do more than anything else that you do daily Straight forwardly speaking when you have a passion it consumes your every thought it pretty much paints the picture of how you view see and live life A strong feeling longing or desire each of us as consumers and shoppers have different passions __ostensibly even with the various passions available as choices some consumers and shoppers have not found their ruling passion understandably it could take years before a consumer or shopper stumbles upon their ruling passion At any rate that you find your passion a passion or a ruling passion could be just about anything that you love and enjoy to do at home away from the job on vacation and during holidays From shopping to blogging to cooking to singing to acting to dancing it s what you love to do the most it s what motivates pushes stretches encourages inspires and challenges you it s your ruling passion In previous years I have had a passion to try and do many things While in college I rediscovered my passion for the English language and writing Within the past seven years I developed a passion for shopping and blogging 2009 I developed a passion for pink Along with my passion for pink I believe my ruling passion is to be an award winning editor and writer Veritably all passions begin with you_if you have found your ruling passion stick with it share it and create a niche for your passion And for the percentage of you consumers and shoppers who you havent found your ruling passion start_right now and start doing what you love and enjoy it s not too late

When Culture Overrides God and Reason S. N. Duru, 2012-12 For over two thousand years civilization has failed to live up to the expectations expounded by the Christian religion The last century alone saw two world wars a cold war and numerous other politically and racially motivated conflicts Where was Christianity amidst all that turmoil It was also believed that the end of colonial rule in Africa Asia and the Caribbean would usher in an era of peace and prosperity but the result has been decades of civil war genocide and corruption in those regions Author S N Duru theorizes that the cause of this leap frogging from crisis to crisis is that society has allowed culture to take precedence over faith and reason When Culture Overrides God and Reason addresses the issues that form the foundation of Duru s theory and provides a workable resolution for the nations of the world It is an impassioned call to action to correct civilization s current state of being
