son had been spoiled pampered and doted upon almost to the point of ruination Increasing medical bills and the prospect of better paying jobs caused the family of Knights to move to a tough inner city neighborhood during the winter of 1940 Ben Knight believed that Railroad Street s toughness was exactly what his youngest son needed to shape him into a a real man Ben rightly predicted that book worms and sissy pants would be hard to find in a tough neighborhood like Railroad Street That prediction turned out to be correct To Ben Knight s horror however mothers from both sides of the Royal Feud fell in love with his son because he possessed those exact didactic characteristics Historians claim that during World War II America became more united than at any other time before or since It turned out that a mere mortal held a secret that could turn Railroad Street into an analogous part of America s most memorable era However only divine intervention was going to convince Ben Knight that his son had become the tenth star in his heavenly crown *Ebony* ,1994-11 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
