

---

# Why Did Japan Attack Pearl Harbor?

---

**Overview:** On December 7, 1941, Japanese planes and submarines made a surprise attack on the United States at Pearl Harbor, Hawaii. The following day, after President Roosevelt's impassioned speech, Congress declared war on Japan. It marked the beginning of America's direct involvement in World War II. Why did this island nation with a land area smaller than California, attack the United States at Pearl Harbor?

## The Documents:

- Document A: The New World Order
- Document B: Japan's Expansion (map)
- Document C: Actions and Reactions (timeline)
- Document D: US Embargo on Oil, Steel, and Scrap Iron (chart)
- Document E: Hideki Tojo: Imperial Conference, Nov. 5, 1941

**Pearl Harbor Attack** United States. Congress. Joint Committee on the Investigation of the Pearl Harbor Attack,1946

**Pearl Harbor** Spencer Tucker,2015 This essential reference guide is devoted to one of the most important military events in American history the Pearl Harbor attack of December 7 1941 the day of infamy Distinguished military historian Spencer C Tucker is the editor of this thorough study of the Japanese attack that contains reference entries as well as primary documents and oral histories describing the circumstances that led up to the attack the event itself and its immediate aftermath and consequences thereby providing readers with the necessary context to understand all aspects of the attack on Pearl Harbor **West Wind Clear** Robert J. Hanyok,David P. Mowry,2011-01-01 Did the American Government and President Franklin Delano Roosevelt have advance information about Japan s attack on Pearl Harbor and was this fact later suppressed either to conceal incompetence or because the President wanted an act of aggression to force America into war with the Axis Powers For decades professional and amateur historians alike have scrutinized the voluminous and sometimes contradictory trail of evidence surrounding this historic and tragic event to find an answer One of the most written about pieces of this historical puzzle is the so called West Wind Execute message Japan s code phrase to advise its diplomats abroad that an attack on America was imminent In *West Wind Clear* Cryptology and the Winds Message Controversy a Documentary History the U S National Security Agency s Center for Cryptologic History has tackled the complex history of this message when it was sent and why its existence or non existence has exercised the imaginations of academics amateur historians and conspiracy buffs since the 1940s Crucially this book includes many key documents some never before published dealing with the voluminous Japanese signals traffic leading up to the Pearl Harbor attack and the timing of signals interception and decoding The authors state that the main source of continuing debate over the who knew and when question resulted from a number of contradictory statements by a well respected American cryptographer Captain Laurence Safford USN whose reliability as a witness was undermined during the hearings of the 1946 Joint Congressional Committee investigation of the Pearl Harbor debacle Despite these findings the West Wind controversy has persisted in popular accounts that lent credibility to the stories of Safford and Ralph Briggs a radio operator who many years after the fact claimed to recollect a West Wind Execute message before the attack *West Wind Clear* makes a strong and well documented case against a suppressed warning of war although perhaps no account of the run up to the Pearl Harbor debacle may ever lay to rest the many conspiracy theories bruited about since 1941 For anyone interested in the continuing

debate this book is an indispensable research and reference work      **Pearl Harbor Attack** ,1997 Collected here are documents from the 23 volume 40 part 25 000 page report of hearings before the Joint Committee on the investigation of the Pearl Harbor attack Congress of the United States Seventy ninth Congress which was released on July 20 1946

Eventually, you will totally discover a additional experience and carrying out by spending more cash. still when? attain you agree to that you require to acquire those all needs as soon as having significantly cash? Why dont you attempt to acquire something basic in the beginning? Thats something that will lead you to understand even more roughly the globe, experience, some places, following history, amusement, and a lot more?
