Great Britain: Parliament: House of Commons: Foreign Affairs Committee,2006-02-23 The Committee s report examines the  
eighth annual report by the Foreign and Commonwealth Office Human Rights Annual Report 2005 Cm 6606 ISBN  
0101660626 published in July 2005 Issues discussed include the international legal framework and the work of international  
institutions the war against terrorism and treatment of detainees in Guantanamo Bay extraordinary rendition and the use of  
information derived from torture the situation in Iraq and the trial of Saddam Hussein the arms trade and military assistance  
and corporate social responsibility and states of concern The Committee welcomes the report as making a substantial  
contribution to the transparency and visibility of the Government s work on human rights matters However concerns are  
raised over the fact that the Minister responsible for human rights issues is also the Minister of State for Trade roles which  
are often contradictory The decision to subsume human rights work into the more general category of sustainable  
development is also criticised since it would suggest that human rights issues are not being given sufficient strategic priority

stamped in the year 2025 His search for the origin of this quarter led him to those answers and more What if you could have  
those answers too Would you want to know Are you ready to know The year is 2006 Kev Pearson at the lowest point of his life  
when he accidentally discovers a quarter with the mint stamp of 2025 He set out on a mission to determine the authenticity  
of this coin by taking it to David DeMinte a rare coin dealer and a friend David declares it a fake though his actions say  
differently after Kev refuses to sell him the coin Kev now knows he s onto something more significant than his problems He  
hears Dave make a covert phone call as he s leaving Dave s shop Later that afternoon Kev receives a message in the form of a  
dream Detective Connor MacKenzie the head of an organization that calls itself the FCA explains that Kev has stumbled  
across an anomaly out of time They re in the process of sending someone to retrieve it Connor also explains that they re the  
good guys And where there are good guys there are also bad guys They too are coming Is Kev s discovery indeed a coin out  
of time He ll come to know the answers to all of his questions including answers to questions no one dares ask     **Senate**
