J. McLaney, Edward J. McLaney, Peter Atrill, 2007 The book

provides a comprehensive introduction to the main principles of financial accounting management accounting and the core elements of financial management With a focus on how accounting information can be used to improve the quality of decision making by managers *Study Guide to Managerial Ch 12-25* Brubeck, Charles T. Horngren, 2007-04-03 **Management Accounting for Decision Makers** Peter Atrill, 2009 This introductory text covers the basic principles and underlying concepts with a strong practical emphasis and plenty of examples taken from the real world as well as numerical examples with step by step explanations **ACCOUNTING: BSB110, 3RD EDITION** Charles Horngren, Walter Harrison, 2015-05-20 This custom book is compiled from ACCOUNTING 7TH EDITION Horngren Harrison Oliver Best Fraser Tan and Willett for QUT School of Accounting **Accounting and Finance for Non-specialists** Peter Atrill, E. J. McLaney, 2008 Now in its sixth edition this successful text introduces the basic principles and underlying concepts of accounting and finance It adopts a practical non technical approach making it the ideal text for students from non accounting disciplines The text is written from a user perspective demonstrating ways in which accounting statements and financial information can be used to improve the quality of decision making *Accounting* Edward J. McLaney, Eddie McLaney, 2009-09 Designed to help you study Accounting An Introduction 4th edition is praised for its clear accessible and uncluttered style It provides a comprehensive introduction to the main principles of financial accounting management accounting and the core elements of financial management It has a clear and unequivocal focus on how accounting information can be used to improve the quality of decision making by managers This combined with the book's strong practical emphasis provides you with the perfect grounding for your future career as a manager **Inside Track to Successful Academic Writing** Andy Gillett, Angela Hammond, Mary Martala, 2013-09-26 Successful Academic Writing guides students through the whole process of academic writing developing their ability to communicate ideas and research fluently and successfully From understanding the task and planning essays or assignments right through to utilising feedback it will ensure students are able to get much more out of the writing process **Creating Financial Value** Malcolm Allitt, 2016-03-10 How many senior executives get to the top with little or no formal financial training They may have been appointed to the executive board as a result of their expertise in marketing HR sales or IT yet board members have a responsibility individually and collectively to make informed decisions on proposed actions decisions which inevitably affect the value of their business Finance is a subject full of jargon and convention This is confusing and off putting to non specialists responses range from misunderstanding and frustration to downright fear As a consequence it is difficult or impossible for non specialists to contribute fully to important debates on policy and the actions the business should take as a result The book's central objective is to equip senior executives who are not financial specialists to develop sound business proposals or to cross examine the proposals of others confidently and competently This will be achieved by relating financial outcome to other business disciplines particularly strategy and marketing Helping define the boundary between what the non specialist should know and where it is good practice to seek
