Roots Of Haitis Vodou Christian Faith African And Catholic Origins

Ennis B Edmonds,Michelle A Gonzalez

Roots Of Haitis Vodou Christian Faith African And Catholic Origins:

Roots of Haiti's Vodou-Christian Faith Robert Murray Thomas,2014 This book traces the development of Haiti s combined Vodou Christian religion from 1500 up to the present and explains how this combination of distinct faiths coalesces in a coherent belief system

Roots of Haiti's Vodou-Christian Faith R. Murray Thomas,2014-06-19 This book traces the development of Haiti s combined Vodou Christian religion from 1500 to the present and explains how this combination of distinct faiths coalesces in a coherent belief system What are the historical reasons for the popularity of two contradictory worldviews in Haiti Vodou and Catholicism What elements of Vodou and Catholicism are alike and how are they drastically different What is the connection between indigenous African religions and Vodou And why has religion in Haiti evidenced an accelerating rate of change in recent decades Roots of Haiti s Vodou Christian Faith African and Catholic Origins answers these questions and more in its examination of the highly unique and often misunderstood religious practices in Haiti Reaching back half a millennium to the European conquest of the island of Haiti author R Murray Thomas inspects the origins and nature of these two competing and complementary religious traditions the traditional African faiths brought by the slaves who were imported to Haiti to labor in the fields and mines and the Catholicism promoted often violently by Spanish and French colonial authorities Following a historical background the subsequent chapters focus on the organization of Haitian religion spirits creation belief causes and ceremonies maxims and tales symbols and sacred objects sacred sites religious societies and the future of the Vodou Christian faith

The Oxford Handbook of Caribbean Religions Michelle A. Gonzalez,Michelle Gonzalez Maldonado,2024 The Oxford Handbook of Caribbean Religions offers a comprehensive overview of Caribbean religions The Caribbean is a microcosm of the world s religions but the small geographic space resulted in the encounter of global religions and indigenous religious practices The racial ethnic and cultural diversity of this region makes brief introductions to Caribbean religions incapable of truly addressing its complex and diverse religious landscape The Handbook also elaborates on the diversity of the religious traditions and the national particularity of the region while also considering multiple geographic settings It mentions how often Caribbean religion is studied through the perspective of a discrete religious tradition or geographic setting

Vodou in Haitian Memory Celucien L. Joseph,Nixon S. Cleophas,2016-05-12 Throughout Haitian history from 17th century colonial Saint Domingue to 21st century postcolonial Haiti arguably the Afro Haitian religion of Vodou has been represented as an unsettling faith and a cultural paradox as expressed in various forms and modes of Haitian thought and life including literature history law politics painting music and art Competing voices and conflicting ideas of Vodou have emerged from each of these cultural symbols and intellectual expressions The Vodouist discourse has not only pervaded every aspect of the Haitian life and experience it has defined the Haitian cosmology and worldview Further the Vodou faith has had a momentous impact on the evolution of Haitian intellectual aesthetic and literary imagination comparatively Vodou has shaped Haitian social ethics sexual and gender

identity and theological discourse such as in the intellectual works and poetic imagination of Jean Price Mars Dantes Bellegarde Jacques Roumain Jacques Stephen Alexis etc Similarly Vodou has shaped the discourse on the intersections of memory trauma history collective redemption and Haitian diasporic identity in Haitian women s writings such as in the fiction of Edwidge Danticat Myriam Chancy etc The chapters in this collection tell a story about the dynamics of the Vodou faith and the rich ways Vodou has molded the Haitian narrative and psyche The contributors of this book examine this constructed narrative from a multicultural voice that engages critically the discipline of ethnomusicology drama performance art anthropology ethnography economics literature intellectual history philosophy psychology sociology religion and theology Vodou is also studied from multiple theoretical approaches including queer feminist theory critical race theory Marxism postcolonial criticism postmodernism and psychoanalysis

Chasing Religion in the Caribbean Peter Marina, 2016-09-11 Focusing on ten islands through the Caribbean this ethnography examines how charismatic religious leaders develop creative transnational religious networking strategies that help spread the movement and increase its potential to become a greater force in shaping the future in the English speaking Caribbean The large and explosive global Charismatic movement spread in powerful ways in the small and tranquil English speaking Caribbean It is here in the deep Caribbean world of demonic possessions spiritual demons and supernatural healers where the Charismatic movement continues to shape a resilient culture Placing the Charismatic movement in the realm of culture provides some highly surprising findings that reveal the potential of a religious movement and its ability for change in a late modern social world

How to Teach a Nation to Read Dr. Jean Marc Désiré, 2022-10-24 The information about the book is not available as of this time

Vodou in the Haitian Experience Celucien L. Joseph, Nixon S. Cleophas, 2016-05-05 One glaring lacuna in studies of Haitian Vodou is the scarcity of works exploring the connection between the religion and its main roots traditional Yoruba religion Discussions of Vodou very often seem to present the religion in vacuo as a sui generis phenomenon that arose in Saint Domingue and evolved in Haiti with no antecedents What is sorely needed then is more comparative studies of Haitian Vodou that would examine its connections to traditional Yoruba religion and thus illuminate certain aspects of its mythology belief system practices and rituals This book seeks to bridge these gaps Vodou in the Haitian Experience studies comparatively the connections and relationships between Vodou and African traditional religions such as Yoruba religion and Egyptian religion Such studies might enhance our understanding of the religion and the connections between Africa and its Diaspora through shared religious patterns and practices The general reader should be mindful of the transnational and transcultural perspectives of Vodou as well as the cultural socio economic and political context which gave birth to different visions and ideas of Vodou The chapters in this collection tell a story about the dynamics of the Vodou faith and the rich ways Vodou has molded the Haitian narrative and psyche The contributors of this book examine this constructed narrative from a multicultural voice that engages critically the discipline of ethnomusicology drama performance art anthropology

ethnography economics literature intellectual history philosophy psychology sociology religion and theology Vodou is also studied from multiple theoretical approaches including queer feminist theory critical race theory Marxism postcolonial criticism postmodernism and psychoanalysis

Introduction to Puerto Rico Gilad James, PhD, Puerto Rico is a Caribbean island and an unincorporated territory of the United States The island is located in the northeastern Caribbean Sea east of the Dominican Republic and west of the British Virgin Islands Puerto Rico has a tropical climate and is known for its beautiful beaches and crystal clear waters making it a popular tourist destination The island is densely populated with over three million people living there making it the third largest island by population in the United States Puerto Ricans are citizens of the United States and have been since 1917 The island has a unique cultural mix of African Ta no and European influences The official language is Spanish and English is also widely spoken Puerto Rico s economy is mainly based on manufacturing tourism and services The island has a distinct political status remaining as an unincorporated territory and not being granted statehood or independence

Nova História do Cristianismo Negro na África Ocidental e nas Américas Jeroen Dewulf, 2024-12-02 Este livro faz uma interven ção historiográfica ousada na história do catolicismo negro e da religi ão negra nas Américas de forma mais ampla A sua afirma ção central é bem documentada que o cristianismo negro tanto católico como protestante tem raízes no catolicismo português pr tridentino Mesmo antes do advento do comércio de escravos o catolicismo tinha se tornado uma religi ão indígena africana embora por vezes assumisse formas pr tridentinas e sincréticas que o tornava irreconhecível para os europeus do período português pr tridentino Este argumento tem consequências historiográficas significativas a confus ão de longa data sobre a religiosidade das pessoas escravizadas pelo menos em parte o resultado de suposi ções de que os africanos sabiam pouco ou nada sobre o cristianismo antes da sua escraviza ção Mostrando o contrário Dewulf rastreia essas formas religiosas at os navios negreiros que transportam carga humana com destino s Américas Este livro um corretivo oportuno e salutar para os estudos católicos e cristãos que há muito tempo retratam os cristãos de ascendência africana como pessoas marginalizadas e atípicas em vez de atores globais importantes Cita o do Comitê da Sele ção do Prêmio John Gilmory Shea do ano de 2023

Rediasporization Gillian Richards-Greaves, 2020-11-24 Rediasporization African Guyanese Kweh Kweh examines how African Guyanese in New York City participate in the Come to My Kwe Kwe ritual to facilitate rediasporization that is the creation of a newer diaspora from an existing one Since the fall of 2005 African Guyanese in New York City have celebrated Come to My Kwe Kwe more recently called Kwe Kwe Night on the Friday evening before Labor Day Come to My Kwe Kwe is a reenactment of a uniquely African Guyanese pre wedding ritual called kweh kweh and sometimes referred to as karkalay mayan kweh keh and pele A typical traditional wedding based kweh kweh has approximately ten ritual segments which include the pouring of libation to welcome or appease the ancestors a procession from the groom s residence to the bride s residence or central kweh kweh venue the hiding of the bride and the negotiation of bride price Each ritual segment is executed with music and dance which allow for commentary on conjugal matters such

as sex domestication submissiveness and hard work Come to My Kwe Kwe replicates the overarching segments of the traditional kweh kweh but a couple male and female from the audience acts as the bride and groom and props simulate the boundaries of the traditional performance space such as the gate and the bride's home This book draws on more than a decade of ethnographic research data and demonstrates how Come to My Kwe Kwe allows African Guyanese Americans to negotiate complex overlapping identities in their new homeland by combining elements from the past and present and reinterpreting them to facilitate rediasporization and ensure group survival

History of the World Christian Movement
Dale T. Irvin, Scott Sunquist, 2012-10-01 Beginning with the missionary expansion of the 15th century this story goes on to trace the fracturing of the Christian movement among Catholic Orthodox and Protestant versions the impact of modern colonialism and the emergence of a new global reality the wars of religion the impact of the Enlightenment the rise of Christianity in North America and the modern missionary movement

The Christianity Reader Mary Gerhart, Fabian Udoh, 2007-09 Christianity is the world's most populous religion with some two billion adherents As a world religion Christianity has flourished because it is capable of taking on new forms in new contexts To understand both the religion's history and its present state Mary Gerhart and Fabian Udoh gather original texts from early Christian writings to contemporary documents on church-related issues in The Christianity Reader The most comprehensive anthology of Christian texts ever in English this is a landmark sourcebook for the study of Christianity's historical diversity With newly edited annotated and translated primary texts along with supplemental analytical essays the volume allows Christianity at long last to speak in its many voices Focusing on Christianity as a religion Gerhart and Udoh select texts that illuminate issues such as theology mysticism and ritual while also articulating the stories of previously marginalized groups as well as those in new and growing epicenters of the religion With nearly three hundred selections the texts encompass the entire history of Christian writings excluding the New Testament from Justin Martyr and Tertullian to Fabien Eboussi Boulaga and Teresa of Calcutta Eight thematic sections cover biblical traditions and interpretations early influences nascent forms patterns of worship structures of community philosophy theology and mysticism twentieth century issues and challenges and the contemporary relationship between Christianity and other world religions The Reader's contents are arranged chronologically and are supported with introductions and source notes that explain the rationale for their inclusion and their context Providing a far richer selection than ever before available in a single volume The Christianity Reader will be welcomed as both a classroom resource and a work of reference for decades to come

Doo Doo That Voodoo , **Sacred Paths of the West** Theodore M Ludwig, 2015-08-07 This text combines study of the dynamic historical development of each religious tradition with a comparative thematic structure Students are encouraged to discover and explore the nature of religious experience by comparing basic themes and issues common to all religions finding connections with their own personal experiences By sensitively introducing descriptive material within a comparative thematic structure this text helps

students to understand how each religion provides for its adherents patterns and meanings that make up a full way of life

Caribbean Religious History Ennis B Edmonds,Michelle A Gonzalez,2010-06-01 The colonial history of the Caribbean created a context in which many religions from indigenous to African based to Christian intermingled with one another creating a rich diversity of religious life Caribbean Religious History offers the first comprehensive religious history of the region Ennis B Edmonds and Michelle A Gonzalez begin their exploration with the religious traditions of the Amerindians who flourished prior to contact with European colonizers then detail the transplantation of Catholic and Protestant Christianity and their centuries of struggles to become integral to the Caribbean's religious ethos and trace the twentieth century penetration of American Evangelical Christianity particularly in its Pentecostal and Holiness iterations Caribbean Religious History also illuminates the influence of Africans and their descendants on the shaping of such religious traditions as Vodou Santeria Revival Zion Spiritual Baptists and Rastafari and the success of Indian indentured laborers and their descendants in reconstituting Hindu and Islamic practices in their new environment Paying careful attention to the region's social and political history Edmonds and Gonzalez present a one volume panoramic introduction to this religiously vibrant part of the world

Theologizing in Black Celucien L. Joseph,2020-04-15 Theologizing in Black is a creative and rigorous comparative study on black theological musings and

liberative intellectual contemplations engaging the theological ethics and anthropology of both continental African theologians Tanzania Kenya Democratic Republic of the Congo and black theologians in the African Diaspora Haiti Trinidad Jamaica Antigua and Barbuda United States Using the pluralist approach to religion promoted by the philosopher of religion and theologian John Hick the book is also an attempt to bridge an important gap in the comparative study of religion Africana Studies and Liberation theology both in Africa and its diaspora The book provides an analytical framework and intellectual critique of white Christian theologians who deliberately disengage with and exclude black and Africana theologians in their theological writings and conversations From this vantage point Africana critical theology is said to be a theology of contestation as it seeks to deconstruct white supremacy in the theological enterprise This book not only articulates a rhetoric of protest about the misrepresentation and underrepresentation of the humanity of African and black people in white theological imagination it also enunciates a positive image of black humanity and congruently promulgates a constructive representation of blackness The paramount goal of Africana theological anthropology and ethics is the preservation of life and promotion of human dignity and the sheer acknowledgement that the African people and people of African descent are bearers of the image of God

The Oxford Encyclopedia of African Thought Abiola Irele, 2010 From St Augustine and early Ethiopian philosophers to the anti colonialist movements of Pan Africanism and Negritude this encyclopedia offers a comprehensive view of African thought covering the intellectual tradition both on the continent in its entirety and throughout the African Diaspora in the Americas and in Europe The term African thought has been interpreted in the broadest sense to embrace all those forms of discourse philosophy political thought religion literature important social movements that contribute to the formulation of a distinctive vision of the world determined by or derived from the African experience The Encyclopedia is a large scale work of 350 entries covering major topics involved in the development of African Thought including historical figures and important social movements producing a collection that is an essential resource for teaching an invaluable companion to independent research and a solid guide for further study

Revolutionary Change and Democratic Religion Celucien L. Joseph, 2020-04-15 In Revolutionary Change and Democratic Religion Celucien Joseph provides a fresh and careful reexamination of Haiti's intellectual history by focusing on the ideas and writings of five prominent thinkers and public intellectuals Toussaint Louverture Joseph Antenor Firmin Jacques Roumain Dantes Bellegarde and Jean Price Mars The book articulates a twofold argument First of all Haiti has produced a strong intellectual tradition from the revolutionary era to the postcolonial present and that Haitian thought is not homogeneous and monolithic Joseph puts forth the idea that the general interweaving themes of rhetoric the race concept race vindication universal emancipation religious pluralism secular humanism the particular and the universal and cosmopolitanism are representative of Haiti's intellectual tradition Secondly the book also contends that Haitian intellectuals have produced a religious discourse in the twentieth century that could be phrased religious metissage The religious ideas of these thinkers have been shaped by

various forces ideologies religious traditions and philosophical schools In the same way the religious experience of the Haitian people should be understood in terms of conflicting heterodox and pluralistic manifestations of religious piety as the people in Haiti reacted to the crisis of slavery Western colonialism and imperialism and the arrogance of race in modernity in their striving to reposition themselves within the framework of universal and human metanarratives The book departs from the dominant contemporary Vodou scholarship that is often characteristic of North American and Western studies on the religious life of the Haitian people and Haitian thinkers A Church of Our Own R. Stephen Warner, 2005 In this definitive collection of essays spanning fifteen years R Stephen Warner traces the development of the new paradigm interpretation of American religion Originally formulated in the 1990s in response to prevailing theories of secularization that focused on the waning plausibility of religion in modern societies the new paradigm reoriented the study of religion to a focus on communities subcultures new religious institutions and the fluidity of modern religious identities This perspective continues to be one of the most important driving forces in the field and one of the most significant challenges to the idea that religious pluralism inevitably leads to religious decline A leading sociologist of religion Warner shows how the new paradigm stresses the role that religion plays as a vehicle for the bonding and expression of communities within the United States a society founded on the principle of religious disestablishment and characterized by a diverse and mobile population Chapters examine evangelicals and Pentecostals gay and lesbian churches immigrant religious institutions Hispanic parishes and churches for the deaf in terms of this framework Newly written introductory and concluding essays set these groups within the broad context of the developing field A thoughtfully organized and timely collection the volume is a valuable classroom resource as well as essential reading for scholars of contemporary religion

Getting the books **Roots Of Haitis Vodou Christian Faith African And Catholic Origins** now is not type of inspiring means.
