We assume no responsibility for any damage or loss resulting from the use of this manual.

We strongly recommend that separate, permanent printed records be kept of all data. Under certain circumstances, such as exposure to an electrostatic discharge, data may be lost or altered, or the unit may become inoperative until reset. Therefore, we assume no responsibility for data lost or otherwise rendered unusable, whether as a result of improper use, repair, battery replacement, or use after the specified battery life has expired from similar causes.

We assume no responsibility, directly or indirectly, for financial losses or claims from third persons resulting from the use of this product and all of its functions, such as stolen credit card numbers, the loss or alteration of stored data, etc.

This product was not designed to bend or survive extreme temperatures. Do not carry it in your trouser pockets. When in a bag or briefcase, make sure that it is stationary and well padded and protected.

Do not apply harsh chemicals or water to the display. Do not store the product in environments where temperature ranges can be extreme.

The information provided in this manual is subject to change without notice.

FEDERAL COMMUNICATIONS COMMISSION (FCC) RADIO FREQUENCY INTERFERENCE STATEMENT INFORMATION TO THE USER:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is needed.
- Consult the dealer or an experienced radio/TV technician for help.

Notes: Shielded cables must be used with this unit to ensure compliance with the Class B FCC limits.
