The Gathering Storm Dilip Sarkar, 2023-07-31 Dilip Sarkar has studied the Battle of Britain period for a lifetime and is renowned for his meticulous research and evidence based approach setting events within the broadest possible context In doing so he has helped enrich our appreciation and understanding of the past In this the first of a new seven volume series on the Battle of Britain we have the background to the aerial conflict of the summer of 1940 revealed in great detail and told

comprehensively as never before No stone has been left unturned no angle unexplored This meticulous approach the research combined with the human stories and events many revealed for the first time tells what Dilip calls the Big Story The development of air power the creation of Britain's defenses the German side the Home Front and political events are all covered and much more After considering the background threads prior to the outbreak of war in 1939 this book then describes the developing conflict on land sea and in the air The German invasion of Norway the Fall of France and the air fighting over Dunkirk are all explored along with Hitler's actual preferred policy towards Britain which at first was one of blockade not invasion The author with justification questions the validity of the Battle of Britain's official start date being 10 July 1940 evidencing the fact that the fighting actually began eight days earlier From that date onwards a day by day hour by hour account of the fighting is provided giving due recognition to those aircrew lost or wounded before 10 July 1940 and whose names are not therefore found amongst The Few Due accord is also given to the Royal Navy and efforts of both Bomber and Coastal commands emphasizing just what a big story this actually is far from simply concerning a handful of Spitfire and Hurricane pilots Through diligent research with crucial official primary sources and personal papers Dilip unravels many myths often challenging the accepted narrative This is not however simply another dull record of combat losses and claims far from it Drawing upon unique first hand accounts from a wide range of combatants and eyewitnesses along with the daily Home Intelligence Reports and the papers of politicians such as Italian Foreign Minister Count Ciano this really is an unprecedented approach to understanding the build up to and times of the Battle of Britain

A History of Insanity and the Asylum Juliana Cummings, 2023-01-24 The iconic image of the lunatic asylum is one that often leaves us wondering what went on inside these imposing buildings In this new book Juliana Cummings first questions what behaviors and characteristics define insanity and leads us through a comprehensive history of insanity and the asylum from the early treatment and care of mental illness in the Middle Ages and early modern period through to the closure of mental institutions in the twentieth century Throughout the years we learn of how the treatments and institutional structures for caring for the mentally ill developed and changed The Age of Enlightenment and the rise of humanitarian reform was followed by the emergence of the insane asylum in the 1800s which saw the beginning of the widespread constructions of asylums We explore the different reasons for admittance as well as the vast array of treatments It shows that your treatment as an inmate of an asylum could vary depending on your gender and your social class Although once thought of as criminals the mentally ill were gradually treated with care Juliana discusses the different treatments used over time as attitudes towards the mentally ill changed such as drug use psychosurgery and insulin therapy We learn of the regulations and reforms that led to the closure of asylums how their closure affected society and consider how the mentally ill are treated today This insightful new history helps us to better understand the haunting past of the asylum and leads us down a fascinating road to where we come to an understanding of a time in history that is often mistaken

Battle of Britain Target London Dilip Sarkar

MBE,2025-02-13 Dilip Sarkar's fifth volume examines September 1940 in the Battle of Britain challenging myths with detailed research and firsthand accounts. In this unprecedented series exploring the big story of the Battle of Britain, renowned historian Dilip Sarkar investigates the wider context and intimate details of the epic aerial conflict in the summer of 1940 from all sides. In so doing, he gives due acknowledgement to the roles of Bomber and Coastal Commands in addition to the fabled Few of Fighter Command. This unique narrative draws upon a lifetime of research, the author having enjoyed a long relationship with survivors and the relatives of casualties, his innumerable interviews and first-hand accounts collated in addition to privileged access to personal papers providing essential human interest to this inspirational story. In this, the fifth volume, Battle of Britain Target London, Dilip continues to examine the fighting on a day-by-day combat-by-combat basis from 7 September to 17 September 1940. It was on 7 September that the Luftwaffe changed tack and instead of continuing its successful strikes on 11 Group and its airfields, switched its focus to the round-the-clock bombing of London. According to popular narrative, this move lost the Germans the Battle of Britain, providing Fighter Command an opportunity to recover. This, however, is not necessarily the opinion of certain German scholars, all of which is explored by the author. The events of 7 September also saw the 12 Group Duxford Wing go into action for the first time, the effects of which are analysed. This review confirms that the formation massively over-claimed and was not therefore as successful as believed at the time by certain senior commanders and politicians. Likewise, the events of 15 September 1940, long accepted as Battle of Britain Day, are often stated to represent a great turning point in the aerial fighting of the summer of 1940, but is this correct? Two days later, Hitler postponed Operation Sealion, the invasion of the United Kingdom indefinitely. Could therefore this day be considered the date the Battle of Britain really ended? Through diligent research combined with crucial official primary sources and personal papers, Dilip unravels many myths, often challenging the accepted narrative. This is not simply another dull record of combat losses and claims; far from it. Drawing upon unique first-hand accounts from a wide range of combatants and eyewitnesses, along with Daily Home Intelligence Reports and numerous other primary sources, this book forms part of what is likely to be the first and last such comprehensively woven account of this epic air battle. **Faces of the Few** Dilip

Sarkar,2025-08-05 There remains an enduring fascination with the Battle of Britain and the RAF aircrew who fought and won this unprecedented aerial conflict, immortalized by Churchill in August 1940 as The Few. Unlike today when photography is a huge part of people's daily lives, not least because of mobile phone cameras and the sharing of images via social media, back then photography involved comparatively primitive and expensive items of equipment and was not therefore as accessible as it is today. Furthermore, unofficial photography on service installations in Britain was strictly prohibited for security reasons, and consequently such photographs, often taken surreptitiously, are comparatively rare, although interestingly, amateur photography was much more popular in Germany, and German servicemen took countless photographs, especially during the Blitzkrieg years. The author's personal relationships and friendships with many of The Few, however, enabled him to unlock

their personal archives photograph albums and personal snapshots The result of this research represents a substantial and unique archive These photographs are not in the main posed official pictures but those snapped by air and groundcrews who were keen amateur photographers their images often shared around their squadron mates The photographs presented here some for the first time provide the reader with a fascinating window on the past through which we get an authentic glimpse of the summer of 1940 and The Few themselves Indeed in some cases these are the only known images of certain individuals while the likeness of others has been lost to history That fact therefore emphasizes the importance of this photographic record

Battle of Britain Airfields Under Attack Dilip Sarkar, 2024-11-30 In this unprecedented series exploring the big story of the Battle of Britain renowned historian Dilip Sarkar investigates the wider context and intimate details of the epic aerial conflict in the summer of 1940 from all sides In so doing he gives due acknowledgement to the roles of Bomber and Coastal Commands in addition to the fabled Few of Fighter Command This unique narrative draws upon a lifetime of research the author having enjoyed a long relationship with survivors and the relatives of casualties his innumerable interviews and first hand accounts collated in addition to privileged access to personal papers providing essential human interest to this inspirational story In this the fourth volume Battle of Britain Airfields Under Attack Dilip continues to examine the fighting on a day by day combat by combat basis from 19 August until 6 September 1940 It is a period in which we saw the Luftwaffe's bombing of the all important 11 Group airfields intensify culminating in The Hardest Day of 18 August 1940 which saw both sides lose more aircraft than any other day throughout the whole Battle of Britain The tensions and problems between Fighter Command's 11 and 12 Groups also intensified It was a situation that eventually led to Squadron Leader Douglas Bader criticising Fighter Command tactics proposing the use of Big Wings contrary to the System of Air defense and strategy involved gaining the support of his 12 Group commander Air Vice Marshal Leigh Mallory Given its later significance this is investigated in depth Through diligent research combined with crucial official primary sources and personal papers Dilip unravels many myths often challenging the accepted narrative This is not simply another dull record of combat losses and claims far from it Drawing upon unique first hand accounts from a wide range of combatants and eyewitnesses along with Daily Home Intelligence Reports and numerous other primary sources this book forms part of what is likely to be the first and last such comprehensively woven account of this epic air battle

Battle of Britain Attack of the Eagles Dilip Sarkar, 2024-07-04 In this unprecedented series exploring the big story of the Battle of Britain renowned historian Dilip Sarkar investigates the wider context and intimate details of the epic aerial conflict in the summer of 1940 from all sides In so doing he gives due acknowledgement to the roles of Bomber and Coastal Commands in addition to the fabled Few of Fighter Command This unique narrative draws upon a lifetime of research the author having enjoyed a long relationship with survivors and the relatives of casualties his innumerable interviews and first hand accounts collated in addition to privileged access to personal papers providing essential human interest to this inspirational story In this the third volume Battle of

Britain Attack of the Eagles Dilip continues to examine the fighting on a day by day combat by combat basis between 13 and 18 August 1940 This period began on Eagle Day and the start of the Luftwaffe s Eagle Attack on Fighter Command This period of intense fighting saw the defeat of the much vaunted Stuka dive bomber and the great attack on north east England on 15 August 1940 It was during the aerial combats the following day that Flight Lieutenant James Brindley Nicolson s Victoria Cross winning action took place over Southampton All of these actions and many others are critically analyzed Through diligent research combined with crucial official primary sources and personal papers Dilip unravels many myths often challenging the accepted narrative This is not simply another dull record of combat losses and claims far from it Drawing upon unique first hand accounts from a wide range of combatants and eyewitnesses along with Daily Home Intelligence Reports and numerous other primary sources this book forms part of what is likely to be the first and last such comprehensively woven account of this epic air battle *Free French Spitfire Hero* Dilip Sarkar, Jan Leeming, 2023-02-16

Ren Mouchotte was born on 21 August 1914 at Saint Mande Paris He joined the Arm e de l Air for his period of military service in 1934 obtaining his flying brevet Though Mouchotte returned to civilian life he was called up at the outbreak of war in 1939 becoming a Sergeant Pilot instructor in North Africa When France capitulated in June 1940 Mouchotte and fellow pilot Charles Guerin decided to make their way to the United Kingdom Along with four other French pilots Mouchotte made the short flight to Gibraltar on the morning of 30 June From there he traveled on to Britain being accepted into the RAF soon after their arrival The Battle of Britain was already several weeks old when Mouchotte was posted to 245 Squadron then based at Aldergrove on 11 September 1940 A week later he transferred to 615 County of Surrey Squadron at Prestwick Flying Hurricanes it was with 615 Squadron that Mouchotte became a flight commander shot down a Junkers Ju 88 and earned a Croix de Guerre He moved to Turnhouse as Deputy A Flight Commander with 340 Free French Squadron He was promoted to captain in March 1942 and awarded the DFC On 18 January 1943 Mouchotte returned to Turnhouse to form and command 341 Squadron which transferred to Biggin Hill On 15 May 1943 Mouchette and Squadron Leader E F J Charles shared the sector s 1000th victory Two days later Mouchotte destroyed a Me 109 Mouchotte failed to return from a bomber escort to the proposed V2 launch site at Eperlecques near St Omer on 27 August 1943 He was reported Missing Later evidence emerged that his body had been washed up on the beach at Middelkerke Belgium on 3 September and that he was buried in the town s cemetery Commandant Ren Gaston Octave Jean Mouchotte DFC CdeG one of The Few of the Battle of Britain became one of the most famous Free French pilots of the Second World War during which he served alongside such notables as the legendary Group Captain Sailor Malan and the Wing Commander Al Deere It is Commandant Mouchotte s diaries written between 1940 and 1943 that form the basis of this book The diaries are introduced and contextualized by the renowned aviation historian Dilip Sarkar who also forensically examines the story behind Biggin Hill s 1000th kill and the circumstances of Ren s last flight adding new detail to both events The TV presenter and newsreader Jan Leeming also

reveals her journey into Mouchotte's courageous and inspirational story one that began with sponsoring a name on the Sir Christopher Foxley Norris Wall of Remembrance at the Battle of Britain Memorial Chapel le Ferne leaving a letter in the Mouchotte Family Tomb in the famous Père Lachaise Cemetery in Paris a meeting with Ren's 101 year old Sister Jacqueline the realization that his Battle of Britain Medals had never been forwarded to his family an omission which was happily rectified Jacqueline lived long enough to receive the medals which after her death were presented to the Mouchotte family by the British Ambassador Sir Lord Peter Ricketts at the Ambassador's Residence in Paris Finally after many years of research and perseverance Jan had a documentary about her Search for Ren Mouchotte broadcast in 2013 on BBC South East BBC South and BBC North Later that year she was invited to Gibraltar where the RAF HQ was renamed Mouchotte Buildings
