Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they

enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets

Fulfilling the Law and the Prophets Matthew Anslow,2022-07-18 Matthew's Gospel makes mention of prophets and prophecy more than any other canonical Gospel Yet its perspective on prophecy has generally been neglected within biblical scholarship when in fact Jesus prophetic vocation is a central christological theme for Matthew This new study by Matthew Anslow seeks to draw attention to this underdeveloped focus within Matthean studies The central claim of the book is that in Matthew's Gospel Jesus prophetic vocation is presented as a multi faceted phenomenon drawing on several prophetic traditions Like biblical and popular prophets before him Jesus is depicted by Matthew as calling Israel back to covenantal faithfulness thereby providing guidance for the identity theology and communal life of God's people
