Excerpt She felt something on her ankle slithering slowly over her pants leg She started kicking at it with her boot assuming it was a snake But when she sat up the slender green thing that was attempting to crawl up her leg was much too long to be a snake in fact its tail stretched back up the tree and joined the mysterious vine It was the vine Elizabeth tried to scoot away but the vine was faster quickly wrapping its way around her ankle and holding her in place This part of the vine wasn t as thick as what wrapped around the tree but it was strong and she couldn t kick it away She looked around for her bag but it was out of

reach lying near the base of the tree so going for her knife wasn't an option. Another thin vine slinked along the grass towards her slowly entwining her other foot. Elizabeth sat up attacking the vine with her jagged engrossed fingernails. Her scratches did nothing to scare away this strange plant. She laid back down in disbelief. What was she supposed to do? Even in her panic she wasn't that scared; the only emotion that flowed through her body was the intense wanting her masturbation could not satisfy. Before she could react she felt a light tickle on each of her wrists and then her arms were yanked over her head by two other vines that appeared from the other direction of the forest. Elizabeth snapped her head around looking for any more of these strange vines.
