Tequesta Trace Middle Algebra 1:

Kenneth Alexander Beresford Kenneth Alexander Beresford,2012-11 This book is the autobiography of my life up through present It covers my whole life up to turning 30 years old I have tried to be as detailed and factual as possible without using an overabundance of names for liability purposes It covers my childhood coming of age from joining the military Marine Corps and my diagnosis of Bi Polar and thereafter The reason I am writing this book is to put to words my life experiences and give hope to others with Bi Polar that there is a chance for all of us There is a reason we all have this issue I have made mistakes in my life and had regrets I can only hope that others can read and learn from my experiences Thank you greatly for taking the time to read my book Also I feel it is necessary to warn the reader there are sexual situations and contents in my book in certain chapters 17 through 20 I would like for everyone and anyone to be able to read my book I just want to include this warning especially to parents It may be better for readers 18 and up
