The Quests For New World Order Dipu Toby Alakija, 2001

While some historical accounts are distorted so many parts were written long before they eventually become history This is because a clique sees the need to destroy the old order and pave the way for the New World Order The quest to dominate the world and fuse all nations together as one entity is an age long battle which becomes more profound and pronounced in the modern days with the use of chemical biological psychological spiritual and other weapons With presentations of documentary circumstantial and other evidences most of which are made available by ancient and modern researchers and writers this book attempts to shed light on what actually characterized global events like the French revolution world wars civil wars virus pandemic and other catastrophes that plague humanity These research works address the question that was raised in the book titled *Pawn In The Game* by William Guy Carr who asked why the Human Race can't live in peace and enjoy the bounties and blessing God provides for our use and benefit in such abundance This book also serves as a warning that when the New World Order emerges humans will become semi robots that are shackled into Computer Network through the use of Artificial Intelligence IA as opposed to Natural Intelligence

Tudor Feminists Rebecca Wilson,2025-08-05 The term feminist would have been anachronistic in the Tudor period but surely we would not hesitate to call the lady who would be queen Anne Boleyn a feminist All ten women from Catherine Par to Margaret Beaufort lived their lives in a way that challenged the patriarchal world they lived in Each chapter is dedicated to one remarkable woman ahead of her time It explores her achievements and examines the impacts she had on a male dominated world while placing her in the context of her particular circumstance and background These Renaissance women from the high born to the merchant class were rule breakers they railed against the rigid social norms of their time and stand out vividly against a backdrop of domestic servitude

THE BATTLES OF PATRIOTIC CITIZENS Dipo Toby Alakija, A lot of battles and struggles for survival are taking place in many parts of the world Most of those who are in power often use the Judiciary as a weapon against their political opponents The unprecedented crimes and violations of human rights are due to the arrogance of many leaders who want to be in power by all means negligence ignorance of most members of the society indifference and silence of well informed citizens Although the determinations of some patriotic citizens to secure the future of their countries are indicated through their battles against oppressive Governments but the compromised Judicial System is bringing evil days closer to the people Thus fighting for Justice and to preserve the National Value System Law and Order is causing more bloodshed of those who are ready to die for freedom Through presentations of papers with cases that are treated in various dramas in this book the author highlights the origins and causes of political and other problems that defy solutions in most parts of the world indicating that the consequences of not fighting for Justice in any nation would be catastrophic

ANGEL ON MISSIONS OF JUSTICE: A Story About A Conflict Between A Powerful Syndicate And Its Member Who Defected Dipo Toby Alakija ,2022-04-05 The involvements of Toyosi Babs in a deadly syndicate caused the death of his mother making him to be at loggerheads with his younger sister who reminded him that he was supposed to be a servant of God instead of a criminal The syndicate which disguised as a legitimate business organization was actually into human trafficking drugs contract killings of political figures and other diabolical jobs It was so monstrously powerful that it would take at least the cooperation of the US and Nigerian governments to bring it down When Toyosi s mother and sister discovered that the syndicate caused the deaths of thousands of Nigerians they fled the town to another place out of shame that a member of their family was involved in such atrocities Toyosi s sister was later forced to relate with him during the burial of their mother making him to understand that she prayed for him till the last day of her life She then seized the opportunity to reach out to him for Jesus Christ When he eventually decided to be a Christian he defected but because he knew too much the syndicate perceived him as a serious threat This made him to be declared wanted dead or alive He was forced to play hide and seek with the syndicate until an angel in the form of a US citizen was sent by God on a
