How Socio-Cultural Codes Shaped Violent Mobilization and Pro-Insurgent Support in the Chechen Wars Emil Aslan Souleimanov, Huseyn Aliyev, 2017-04-21 This book argues that the existing scholarship on asymmetric conflict has so far failed to take into account the role of socio cultural disparities among

belligerents In order to remedy this deficiency this study conceptualizes socio cultural asymmetry under the term of asymmetry of values It proposes that socio cultural values which are based upon the codes of retaliation silence and hospitality values which are intrinsic to honor cultures yet absent from modern institutionalized cultures may significantly affect violent mobilization and pro insurgent support in that they facilitate recruitment into and support for insurgent groups while denying such support to incumbent forces Utilizing Russia's counterinsurgency campaigns in the First and Second Chechnya Wars as an empirical case study this study explains how asymmetry of values can have an effect on the dynamics of contemporary irregular wars Security and Cross-border Cooperation in the EU, the Black Sea Region and Southern Caucasus Ayça Ergun, Hamlet İsaxanlı, 2013 Proceeding of the NATO Advanced Research Workshop on Security and Cross Border Cooperation in the EU the Black Sea Region and Southern Caucasus Ankara Turkey 23 24 September 2011 Title page The Territories of the Russian Federation 2015 Europa Publications, 2015-02-20 This excellent reference source brings together hard to find information on the constituent units of the Russian Federation The introduction examines the Russian Federation as a whole focusing on Russian federalism and elections followed by a chronology demographic and economic statistics and a review of the Federal Government The second section comprises territorial surveys each of which includes a current map This edition includes new surveys covering the recently annexed and disputed territories of Crimea and Sevastopol as well as updated surveys of each of the other 83 federal subjects The third section comprises a select bibliography of books The fourth section features a series of indexes listing the territories alphabetically by Federal Okrug and Economic Area Users will also find a gazetteer of selected alternative and historic names a list of the territories abolished created or reconstituted in the post Soviet period and an index of more than 100 principal cities detailing the territory in which each is located The Territories of the Russian Federation 2012 Europa Publications, 2012-02-23 Annotation This survey provides up to date and impartial information on an area which is seldom covered by reference books An essential directory section provides full contact details on the leading political officials The Return of a King William Dalrymple, 2013-01-01 In 1839 18 000 British troops marched into Afghanistan Three years later only one man emerged to tell the tale A towering history of the first Afghan war by bestselling historian William Dalrymple **Yearbook of Muslims** in Europe Jørgen Nielsen, Jørgen Schøler Nielsen, Samim Akgönül, Ahmet Alibaic, Ahmet Alibaši?, Hugh Goddard, Brigitte Maréchal, 2011-10-28 The Yearbook of Muslims in Europe provides up to date factual information statistics and analysis of the situation of Muslims in 46 European countries The Oxford History of the Novel in English Cyrus R. K. Patell, Deborah Lindsay Williams, 2024-03-05 The Oxford History of the Novel in English is a twelve volume series presenting a comprehensive global and up to date history of English language prose fiction written by a large international team of scholars The series is concerned with novels as a whole not just the literary novel and each volume includes chapters on the processes of production distribution and reception and on popular fiction and the fictional sub genres as well as outlining the

work of major novelists movements and tendencies This book offers an account of US fiction during a period demarcated by two traumatic moments the eve of the entry of the United States into the Second World War and the onset of the Covid 19 pandemic The aftermath of the Second World War was arguably the high point of US nationalism but in the years that followed US writers would increasingly explore the possibility that US democracy was a failure both at home and abroad For so many of the writers whose work this volume explores the idea of nation became suspect as did the idea of national literature as the foundation for US writing Looking at post 1940s writing the literary historian might well chart a movement within literary cultures away from nationalism and toward what we would call cosmopolitanism a perspective that fosters conversations between the occupants of different cultural spaces and that regards difference as an opportunity to be embraced rather than a problem to be solved During this period the novel has had significant competition for the US public s attention from other forms of narrative and media film television comic books videogames and the internet and the various forms of social media that it spawned If however the novel becomes a residual form during this period it is by no means archaic The novel has been reinvigorated over the past eighty years by its encounters with both emergent forms such as film television comic books and digital media and the emergent voices typically associated with multiculturalism in the United The Territories of the Russian Federation 2014 Europa Publications, 2014-03-05 This excellent reference source States brings together hard to find information on the eighty three constituent units of the Russian Federation The introduction examines the Russian Federation as a whole focusing on the evolution of the relationship between the central state and the regions followed by a chronology demographic and economic statistics and a review of the Federal Government The second section comprises territorial surveys with a chapter on each of Russia's federal subjects each of which includes a current map The third section comprises a select bibliography of books The fourth section features a series of indexes listing the territories alphabetically by Federal Okrug and Economic Area Users will also find a gazetteer of selected alternative and historic names a list of the territories abolished created or reconstituted in the post Soviet period and an index of more than 100 principal cities detailing the territory in which each is located Regency England Undressed Lesley Blanch, 2019-08-07 Lesley Blanch's novella length introduction to the Memoirs of Harriette Wilson the reigning courtesan of Regency London was first published in 1955 in New York where she was then living with her diplomat novelist husband Romain Gary The Wilder Shores of Love for which Blanch is chiefly remembered had been published to acclaim the previous year Harriette Wilson lived among and was an integral part of a wealthy society where privilege arrogance and leisure flourished The greatest courtesan of her age her patrons included many of the distinguished men of her day from the Duke of Wellington to Lord Byron Her weapons of allure were beauty style and wit She held court in a box at the opera and competed with her courtesan sisters for status and prestige Harriette Wilson's life was deplorable but how readable Blanch exclaims The motive for writing the Memoirs published in 1825 was blackmail or a desperate effort to live by my wits as Wilson put it She was in

her thirties her looks were fading away as were her admirers and the annuity she had been promised by the Duke of Beaufort in exchange for leaving alone his heir the Marquis of Worcester had been cut off Wilson offered to edit out of her Memoirs any lovers who paid 200 pounds thereby holding the British aristocracy to ransom Certain men who bought her silence were excluded while others who paid highly were hugely flattered Those who were brave enough to stand up to her were ridiculed and shamed most famously the Duke of Wellington Publish and be damned he cried She did and she was Regency England Undressed Harriette Wilson the Greatest Courtesan of her Age also offers intimately detailed portraits of eccentrics individualists and the demi monde Blanch's Biographical Notes in the Appendix read like a raffish Who s Who of Regency England and Europe too She brings the distant past to life so it reads like a novel precise in its curious detail and bold in its historical panache MAUREEN CLEAVE DAILY TELEGRAPH A scholarly romantic in a school of her own the depth of Lesley Blanch's research is such that other writers plunder her books shamelessly LESLEY BLANCH Today in America the courtesan may be said to have been replaced by the psychoanalyst In place of the alcove there is the analyst s office But basically the functions of both courtesan and analyst have the same principle Both offer escape relaxation and individual attention both are expensive And the couch is still there Yearbook of Muslims in Europe Jørgen Schøler Nielsen, Samim Akgönül, Ahmet Alibaši?, Brigitte Maréchal, Christian Moe, 2010-11-11 The Yearbook of Muslims in Europe provides up to date factual information statistics and analysis of the situation of Muslims in 46 European countries Unseen Truth Sarah Lewis, Associate Professor of History of Art and Architecture and African and African American Studies Sarah Lewis, 2024-09-17 Sarah Lewis unearths the critical moment when Americans were confronted with the fictions shoring up the nation's racial regime and learned to disregard them When popular nineteenth century images of the Caucasus proved the lie of white supremacy a new visual regime arose to suppress the evidence of the incoherence of racial order THE NINE TIGER MAN Lesley Blanch, 2019-08-07 When East meet West in this witty satirical romance Lesley Blanch recreates the British India of the 1850 s where representatives of Victoria s England preside uneasily over the glittering remnants of the Moghul Empire The Rao divided women into two categories those with bodies and those with jewels Prim and proper Lady Florence and her down to earth maid Rosie first encounter a Maharajah s heir the Rao Jagnabad warrior and slayer of nine tigers when he visits England on a diplomatic mission Fierce and handsome in gold embroidered brocades and magnificent jewels his powerful masculinity is overwhelming and unforgettable Fate decrees that some years later the two women are marooned in a crumbling palace on a remote jungly island during the Indian Mutiny They find themselves in the sole custody of the Rao along with two dozen other Englishwomen A razor sharp satire on class and Empire Lesley Blanch's only novel is outrageous and written with high spirited panache JOHN BARKHAM NEW YORK WORLD A delicious tale of low behaviour in high places with particular attention to the activities of an irresistible and gifted East Indian Prince who takes his own form of revenge against the entire English Empire by inducting a bevy of highborn English females

into the fine points of Oriental eroticism proving that Debrett's Peerage is no match at all for the Karma Sutra TIME Wildly funny REBECCA WEST This book is exquisite and a new story OBSERVER A mocking confrontation of the attitudes of Clarissa and Fanny Hill set against an exotically sensuous Indian background DAILY MAIL Cynical sensual amusing

correspondents Loti s published work includes travel books and war reports from Indochina Turkey and China during the Boxer rebellion Today his house in Rochefort is a museum One elaborately tiled room is a fantasia of a mosque Another room evokes a medieval banqueting hall NEW YORK REVIEW OF BOOKS Part Casanova part Ren and part Baron M unchhausen Loti got out of scrapes and away with behaviour that would normally lead to disaster disgrace even death as in the case of the Turkish lady whom he abducted from her husband s harem night after night and sometimes for days on end This adventure forms the subject of his anonymously published novel Aziyad 1877
