Sarah Donovan, 2016-08-12 At the heart of this inquiry into the ethical implications of education reform on reading practices in middle and secondary classrooms the central question is what is lost hidden or marginalized in the name of progress Drawing on her own experiences as an English teacher during the No Child Left Behind era the author examines school cultures focused on meeting standards and measurable outcomes She shows how genocide literature illuminates the ethics of reading and helps teachers and students rethink how literature should be taught in this modern globalized era and the purposes of education more broadly

The Princess of Las Vegas

Chris Bohjalian, 2025-01-14 THE PRINCESS IS FAKE THE MURDERS ARE REAL From the New York Times bestselling author of The Flight Attendant and The Lioness a Princess Diana impersonator and her estranged sister find themselves drawn into a dangerous game of money and murder in this twisting tale of organized crime cryptocurrency and family secrets on the Las Vegas strip Crissy Dowling has created a world that suits her perfectly She passes her days by the pool in a private cabana she splurges on ice cream but never gains an ounce and each evening she transforms into a Princess performing her musical cabaret inspired by the life of the late Diana Spencer Some might find her strange or even delusional an American speaking with a British accent hair feathered into a style thirty years old living and working in a casino that has become a dated trash heap On top of that Crissy's daily diet of

Adderall and Valium leaves her more than a little tipsy her Senator boyfriend has gone back to his wife and her entire career rests on resembling a dead woman And yet fans see her for the gifted chameleon she is showering her with gifts letters and standing ovations night after night But when Crissy s sister Betsy arrives in town with a new boyfriend and a teenage daughter and when Richie Morley the owner of the Buckingham Palace Casino is savagely murdered Crissy s carefully constructed kingdom comes crashing down all around her A riveting tale of identity obsession fintech and high tech mobsters The Princess of Las Vegas is an addictive wildly original thriller from one of our most extraordinary storytellers *The Unspoken as Heritage* Harry Harootunian,2019-11-29 In the 1910s historian Harry Harootunian s parents Ohannes and Vehanush escaped the mass slaughter of the Armenian genocide making their way to France where they first met before settling in suburban Detroit Although his parents rarely spoke of their families and the horrors they survived the genocide and their parents silence about it was a permanent backdrop to the Harootunian children s upbringing In *The Unspoken as Heritage* Harootunian for the first time in his distinguished career turns to his personal life and family heritage to explore the genocide s multigenerational afterlives that remain at the heart of the Armenian diaspora Drawing on novels anecdotes and reports Harootunian presents a composite sketch of the everyday life of his parents from their childhood in East Anatolia to the difficulty of making new lives in the United States A meditation on loss inheritance and survival in which Harootunian attempts to come to terms with a history that is just beyond his reach *The Unspoken as Heritage* demonstrates how the genocidal past never leaves the present even in its silence *The Politics of Naming the Armenian Genocide* Vartan Matiossian,2021-09-23 This book explores the genealogy of the concept of Medz Yeghern Great Crime the Armenian term for the mass murder and ethnic cleansing of the Armenian ethno religious group in the Ottoman Empire between the years 1915 1923 Widely accepted by historians as one of the classical cases of genocide in the 20th century ascribing the right definition to the crime has been a source of contention and controversy in international politics Vartan Matiossian here draws upon extensive research based on Armenian sources neglected in much of the current historiography as well as other European languages in order to trace the development of the concepts pertaining to mass killing and genocide of Armenians from the ancient to the modern periods Beginning with an analysis of the term itself he shows how the politics of its use evolved as Armenians struggled for international recognition of the crime after 1945 in the face of Turkish protest Taking a combined historical philological literary and political perspective the book is an insightful exploration of the politics of naming a catastrophic historical event and the competitive nature of national collective memories
