In this collection contributors reject the narrative that suggests that the pain of mothers must never be exposed They allow their pain to wander outside the frame of the requisite pathos individual pieces reveal pain to be a complex and intersectional practice that encompasses denial and disenfranchisement where pain is birthed and named disorientation leading to a search for stable ground destabilization that inspires non normative mothering and discovery as an active stance that transforms intergenerational pain As contributors take up the challenge of unravelling their stories they reach for a life sustaining and hopeful shift in consciousness that allows them to listen to what pain has to offer without judgment to imagine and create a different future for themselves their children and the world and to let go of maternal pain and suffering as a way of being Readers will be inspired by raw honesty authenticity and willingness to embrace story as a gift to self *The Dragons*

How the story began Once upon a time Max a kind and friendly giant lived in a faraway land Max was the last of his kind He was a beautiful mammoth who roamed the vast desert with a warm heart and an insatiable curiosity With each step his big padded feet left marks in the rich soil showing his way through the wild land he called home Even though the world around him had changed Max never stopped looking for new adventures and deep connections with other people He wanted to go into places no one had been before and see the secret wonders that lay beyond the horizon Max liked to roam but he also wanted friends because he knew the power and pleasure of having friends He woke up every morning hoping to meet new friends with whom he could laugh tell stories and talk about memories that were important to him Max wandered around with an unbreakable spirit his big tusks proudly pointing to the sky whether he was in a snow capped mountain a lush forest or a quiet field His eyes full of gentle wisdom looked out over the horizon always on the lookout for possible friends Max s appearance in the wilderness was a reminder of how grand and beautiful the world used to be as well as a sign of how strong and determined his species is Max continued his journey with his heart wide open and his trunk held high ready to embrace the wonders that awaited him He traveled through the vast wilderness in search of new adventures and friends who could share in the wonder of his life Max was walking through an old thick forest with his big feet crushing on dead leaves when he came across an unexpected treasure a worn map with a lot of detail It looked like the thin parchment told stories of danger and mystery Max s eyes got very big as the map came out of his long trunk It told everyone how to get to the famous Dragon s Lair which got everyone excited Legends and stories had been told about the lair which was where dragons with golden scales and the ability to breathe fire lived for many years Max s heart was beating fast with a mix of joy and fear because he knew this trip would be special The map was written in faded ink and had symbols that were hard to understand It pointed to uncharted territory and hid risks It said that Max would have to show how strong and determined he was and that the trip would push him to his limits Still he was attracted to the unknown As his trunk traced the fine lines and muttered secrets of the map he could feel the excitement of the adventure he was about to go on Max s heartbeat with the wonder of a child and he knew he had to go on this amazing trip His spirit yearned to find out what was hidden in the Dragon s Lair and maybe make a new friend along the way He got excited just thinking about

dragons with wings that could reach the sky and fire that danced on their mouths As Max looked at the map s fine details he thought about the problems he might face strange woods dangerous mountains and maybe even mythical beasts that guarded the lair Even though the lair was dangerous he thought about the chance of making friends and finding hidden beauty Max set out on his amazing journey with a new sense of purpose Once a safe place to live the dense forest turned into a doorway to the unknown Max used the directions on the map to find his way through the tall trees and winding trails The air around him buzzed with excitement and the leaves rustling told him secrets from long ago As he went deeper into the bush the shadows got longer and the air got thicker giving him a feeling of danger When Max got to the Dragon s Lair it seemed like the forest took a deep breath His beating sounded like thunder in the distance and each step he took brought him closer to a magical and dangerous world Max s trip showed how curious he was how strong he was and how much he believed in the power of great bonds This dangerous journey would not only bring him face to face with legendary dragons but it would also show him how brave he was and how much magic was in his heart Max moved forward with the map in his hand His heart was full of energy and he couldn t wait to face the unknown and write his name into the Dragon s Lair legends Max went on a dangerous journey to find the Dragon s Lair keeping the valuable map hidden in his trunk As he went deeper into the woods the air took on a mix of fear and excitement Max met a lot of different animals on his way and each one gave him their own advice and warnings about the risks that lay ahead As Max got closer the wise owl which was perched high in the trees hooted in a serious way Its eyes shone with old knowledge as it spoke Be careful Max The dragon is fierce and smart and its lair is hidden and full of traps and hidden dangers Max s eyes showed both respect and determination as he nodded appreciatively He knew the owl s words of caution were wise but the fire within him kept him moving forward despite the dangers Keep your eyes open and trust your gut The lair has many secrets but you ll need a sharp mind to figure them out Max listened carefully and understood that courage alone would not be enough to get him through the next challenges He thanked the fox for its advice and silently promised to follow it as he went on But keep in mind that there are possibilities within the risks Stay true to your kind heart and show the dragon how kind you are Maybe just maybe a friendship can be made in the middle of all the trouble Max smiled at the squirrel s words grateful for the reminder that kindness and compassion could lead to unexpected places He knew that bravery could come in many forms and that his gentle nature could be the key to a different kind of adventure in the Dragon s Lair Max continued his journey with a strong will and a heart full of fear and excitement He was ready to face the dangers and test his mettle in the Dragon s Lair and the warnings of his friends were always in the back of his mind as a reminder of the risks and rewards that lay ahead As Max traveled further along his path he met Terrance a wise old tortoise who had lived in the wilderness for many years The dragon is a scary creature Its scales are as hard as stone and its breath is so hot that it can burn the ground But don t let fear take over because the dragon is guarding riches beyond your wildest dreams things that are very wise and interesting Max s eyes lit up

with a mix of reverence and curiosity as he listened to Terrance He knew that the risks and potential rewards were both big Terrance s wise words reminded him that true bravery is shown in the face of danger You might feel scared when you see the dragon but remember that you are strong Protect what you care about and count on your own strength May the spirit of the bear help you get through the hard times that are coming Max felt a surge of gratitude for the bear s advice which made him realize that he would need his own strength and resolve to face the challenges of the Dragon s Lair When faced with adversity he vowed to stay true to his beliefs and draw on his inner strength With each step Max s resolve grew stronger thanks to the advice and wisdom of the owl the fox the squirrel the tortoise and the bear Max took a deep breath as the cool breeze brushed against his fur He was ready for the challenges ahead sure that his determination intelligence and the knowledge of his animal friends would get him through As he continued his hard journey Max s path led him to a mighty river whose rushing waters crashed against huge boulders with a deafening roar The only way across was a rickety narrow bridge that swayed dangerously with every gust of wind However Max s desire to reach the Dragon s Lair outweighed any hesitation He approached the shaky bridge with unwavering determination and crossed it Max reached out with his trunk to touch the old ropes that held up the bridge He wanted to turn back but the Dragon s Lair with its promise of adventure and discovery made him want to keep going Max s excitement grew with each passing second just like the landscape before him The once dense forest had been replaced by a rocky landscape with towering cliffs and hidden caverns A mist of ethereal substance floated through the air carrying with it the echoes of long forgotten legends The change from what he knew to what he didn t know filled him with both excitement and awe for the wonders that lay ahead Max pushed through the rough terrain his huge body moving over the rocks with a grace that belied his size With each step the Dragon s Lair s vastness became clearer and Max s spirit grew with awe curiosity and respect
