moonlight that is see through Inside he finds a world where ghosts go to school and meets other ghosts of different sizes and shapes who are also getting better at being ghosts One of these new friends is Bella a friendly ghost who greets Sammy and shows him around the school Sammy says he wants to learn how to scare people so Bella tells him that the Spooky Ghost School is the best place for him to do that Sammy starts his training under Bella s watch and he quickly learns how to float through walls make things move and make scary noises The other ghosts are gentle and supportive which helps Sammy get better at what he does Sammy s favorite thing about school is making spirit friends like Casper Lily and Timmy who all have their own skills and traits One night Bella thinks it would be fun to have a contest to see who can scare the living the most Sammy decides that instead of making the living afraid of him he will surprise and amuse them Sammy s touching act during the competition in which he surprised a little girl with a bouquet of ghostly moonlight flowers steals the show His performance makes the judges feel good and reinforces their belief that kindness and hope are the most amazing ghostly illusions Sammy s win is a turning point for the Spooky Ghost School It shows how important kind acts and spooky unity are Sammy s friendly personality keeps drawing in the live people of Whispering Pines making him the friendliest ghost in town He goes back to the Spooky Ghost School often to share his special skills and bring happiness to both the living and the dead Sammy s story tells us that even though the world is full of ghosts and scary things kindness and friendship are the best and most lasting magic of all His memory lives on in the minds of everyone who knew him and brings love laughter and eternal joy to Whispering Pines Here s how the story starts Everyone knew that Sammy was a nice and helpful ghost who lived in Whispering Pines a beautiful town that seemed to be stuck in twilight forever Sammy wasn t like any other ghost To say he was unique would be an insult His ghostly nature gave off a nice feeling which made him a respected figure among the people who lived in Whispering Pines Sammy s ethereal life was focused on one positive goal linking with the living and bringing happiness to them like stardust Every night when there was a full moon he would come out of the ethereal world his translucent body shining with an extraordinary light that made the night s chill seem like nothing Sammy s eyes sparkled with mischief and his constant grin was both peaceful and mysterious On one of these lovely nights as Sammy slid easily through Whispering Pines fate told him something interesting He heard older more experienced ghosts meeting in secret while he was floating near the shady eaves of an old oak tree Their voices sounded like they were coming from a long time ago because of how old and worn they sounded Their ghostly figures moved softly and the spiritual light that surrounded them danced to the beat of their stories Their talk which was full of ghostly secrets was mostly about a place that made Sammy s spine shiver the famous Spooky Ghost School Even just mentioning this mysterious place seemed to bring up an uneasy feeling that hung in the air like a spell Sammy was mesmerized as the older ghosts told stories and whispered secrets about the cool school It was said to be a place where ghosts and other magical things got together to work on their skills and figure out how to do their jobs Sammy s spirit heart was both scared and excited about what was going to happen How old

are the walls of this Spooky Ghost School What tales do they hold What secrets and wonders did it hold for those who were brave enough to walk through its ghostly gates As Sammy listened to every whispered word and story about the Spooky Ghost School he felt a strong pull toward this land he had never seen His never ending spirit of adventure made him want to know more and more This made his interest shine brighter than the moon which was the only light on his path He knew with all of his soul that he had to start on this wonderful journey Sammy s life as a friendly ghost has always been marked by his never ending thirst for knowledge and his never ending need for company It looked like fate had added a new thread to the fabric of his ghostly life leading him into the unknown Sammy s trip to the Spooky Ghost School started under the watchful eyes of the moon and the bright stars He didn t know that this way would lead him to a world beyond the veil of the living where scary secrets and ghostly wonders awaited him Every night Sammy s transparent body floated closer to the school s huge gates He could feel the tendrils of fate wrapping around him and tying him to the strange place that held the key to the world s haunting secrets Sammy asked himself The Spooky Ghost School His ghostly voice was hard to hear over the rustling of the stars His ghostly form floated in the stillness of the night bathed in the pale silvery light of the moon that ran through the canopy of Whispering Pines whispering trees As he thought about the mysterious word a strange light danced in his ghostly eyes like two circles of moonlight His airy hand could only touch the threads of interest that entangled his own existence but he reached out as if to touch the idea that had formed in the night air It was a name that was wrapped in mystery a riddle that called with a strong pull Sammy had a golden heart and was known for being very curious and always wanting to make friends with living people He d spent a lot of starry nights making people in Whispering Pines happy his happy personality a bright spot in the town s creepy darkness Still just the thought of the Spooky Ghost School made him more interested than even his constant ghostly grin Sammy couldn t help but wonder what secrets were behind the big gates of the Spooky Ghost School as he floated there listening to the crickets and the wind In its abstract form the name made me think of a cold but exciting feeling like the touch of cold air on a winter night What was this place and how come he had never heard of it Thoughts like ghostly wraiths flew through his phantom mind and the more he thought about it the greater the pull toward the unknown became It was a pull on his spirit existence that made him want to go into parts of the otherworldly he hadn t seen yet Sammy made a secret promise to himself at that moment a promise that would lead him on an amazing trip into the heart of the Spooky Ghost School He had no idea that this choice would lead him on an adventure that would show him not only the secrets of the ghost business but also how good he was at being a ghost himself The Spooky Ghost School was waiting for him shrouded in mystery and steeped in magic While the moon continued to watch over Whispering Pines from the sky Sammy s ghostly form began its trip into the unknown led by whispers of the mysterious school s name The Spooky Ghost School was a place with a lot of history and mystery It was hidden somewhere in the ethereal areas beyond the living world Few ghosts knew it existed and even the most experienced ghosts shivered when they

heard its name whispered The school s history had been lost to time and its beauty was covered by layers of phantom magic The school was a large impressive mansion made of moonlight and starlight It was in a spectral dimension that linked to the mortal realm Its design was a strange mix of Gothic towers and Victorian elegance and the walls sparkled like mist The huge gates were made of airy iron and the beautiful writing on them seemed to move and change with every ghostly breeze

Open Houses Barbara Leckie, 2018-05-24 In the 1830s and 40s a new preoccupation with the housing of the poor emerged in British print and visual culture In response to cholera outbreaks political unrest and government initiatives commentators evinced a keen desire to document housing conditions and agitate for housing reform Consistently and strikingly these efforts focused on opening the domestic interiors of the poor to public view In *Open Houses* Barbara Leckie addresses the massive body of print materials dedicated to convincing the reader of the wretchedness unworthiness and antipoetic quality of the living conditions of the poor and accordingly the urgent need for architectural reform Putting these exposés into dialogue with the Victorian novel and the architectural idea the manipulation of architecture and the built environment to produce certain effects she illustrates the ways in which looking into the house animated new models for social critique and fictional form As housing conditions failed to improve despite the ubiquity of these documentary and fictional exposés commentators became increasingly skeptical about the capacity of print to generate change Focusing on *Bleak House* *Middlemarch* and *The Princess Casamassima* Leckie argues that writers offered a persuasive counterargument for the novel's intervention in social debates *Open Houses* returns the architectural idea to the central position it occupied in nineteenth century England and reconfigures how we understand innovations in the genre of the novel the agitation for social reform and the contours of nineteenth century modernity
