The Seventh Sons:

The Seventh Sons Edward Kendrick, 2022-11-12 On his twenty first birthday Andre discovers something both amazing and terrifying As the seventh son of a seventh son he is now a werewolf One of the relatively few in the world If it hadn't been for Mario who was also a seventh son werewolf being there for his first shift Andre doesn't know how he could have handled it Now he has to tell Donal the man he loves with all his heart what he has become It won't be easy but he hopes his long time lover will be able to accept it and him when he learns the truth Much against his will Mario is left to watch over Andre until he gets a handle his new life The only saving grace He can spend his time at the same PI agency where Donal works When they get a new case Mario has no idea it will change his life forever if he lets it happen **The Seven Sons of Mammon** George Augustus Sala, 1862 **The Seventh Daughter of the Seventh Son** Aurora Mizutani, Dupelola Ajala, 2025-06-28 Maga the seventh daughter of the seventh son lives in a secluded village surrounded by nature Unlike her adventurous brothers she possesses a quiet strength and unique intuition finding comfort in the woods and her mother's herbal healing practices Beneath her tranquil existence lies a powerful magic waiting to be discovered Her journey begins with an exploration that reveals her hidden magical abilities leading her into a world of secrecy and ancient spells As she learns to harness her powers she faces skepticism from her fellow villagers When a plague threatens her community Maga must reveal her secret and combine her magic with herbal remedies to save her people **The Seven Sons of Mammon a Story**, 1869 **The Seven Sons of Mammon a Story** George Augustus Sala, 1869 **Seventh Son of an Irishman** Don Mahoney, 2024-04-05 The story of a large American Irish family *Magical Medicine* Wayland D. Hand, 2023-04-28 Distilling baby's first tear into the eye of a blind man to make him see Plucking herbs upward for emetics and downward for purgatives Stroking one's goiter with a dead man's hand to make the growth shrivel away these are not beliefs and customs found among primitive peoples in remote parts of the world but are examples of hundreds of items of magical medicine found in Professor Hand's remarkable collection of essays dealing with this neglected field in twentieth century Europe and America Fantasy and imagination still have free reign in people's lives more than any of us will admit In a time when science is preeminent irrational thinking can lay hold on the mind of man as much as in olden times Folk medicine has expanded in recent years to include holistic medicine and other forms of alternative medicine but little attention has been paid to magical medicine Despite the benefits of medical science in an advance culture the magical medicine of Europe and America has clung to an unusually rich and original body of magical lore that lies at the base of its folk medical thought Ethnomedicine in the inner cities of America can be better understood by practitioners who know something about folk medicine and especially if they know some of the basics of magical medicine This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship

Men and Bears AA.VV., 2020-01-23 The time of Carnival represents a wild time at the end of winter and pointing to the beginning of a new season It is characterized by the irruption of border figures animal masks characters which recall the world of the dead and which bring within themselves the germ of a vital force of the energy that produces the reawakening of nature and announces the growth and fertility of the new crops This wild domain shows itself under the shapes of a contiguity between human and animal the costumes the masks refer to a world in which the characteristics of the human and those of the animal are fused and intertwined Among these figures in particular emerge those of the Wild Man the human being who takes on animal like attributes and aspects and of the Bear the animal that more than all the others gets as close as possible to the human and seems to reflect a deformed image of it Such symbolic images come from far off times and places to tell a story that belongs to our common origins The bear assumes attributes and functions alike in very different cultural contexts such as the Sami of Finland or North American hunter gatherers and represents a boundary between the world of nature and the human world between the domain of animals and the difficult construction of humanity a process continued for centuries perhaps millennia and which cannot still be said complete

The Seventh Son Reay Tannahill, 2013-02-28 A superb historical novel about Richard III the notorious hunchback king whose burial site was recently uncovered which will appeal to fans of Josephine Tey's THE DAUGHTER OF TIME Philippa Gregory's THE KINGMAKER'S DAUGHTER and readers of Hilary Mantel At the heart of this stunning novel is the complex human being known to history as Richard III a king whose reign is darkened by the murder of the young Princes in the Tower but who also found a touching love with the woman he married and possessed immense courage As goes the old adage history is written by the victors so Richard III's own story was corrupted by the spokesman of the Tudor regime

William Shakespeare And yet here is a man who inspired loyalty and hatred in almost equal measure until at last the implacable enmity of one woman brought about his downfall In this classic novel the paradox of England s most enigmatic king is vividly brought to life It is a family drama in the grand tradition a tale of brother against brother cousin against cousin of love hate and intrigue of women inescapably entangled in the fates of their men and of a mystery that has exercised people s minds for more than five hundred years **Robert: A Seventh Son Novel (McClains Book 2)** Kirsten
