The Parables of Jesus the Galilean Ernest van Eck, 2016-08-09 Who do we meet in the stories Jesus told In The Parables of Jesus the Galilean Stories of a Social Prophet a selection of the parables of Jesus is read using a social scientific approach The interest of the author is not the parables in their literary contexts but rather the parables as Jesus told them in a first century Jewish Galilean sociopolitical religious and economic setting Therefore this volume is part of the material turn in parable research and offers a reading of the parables that pays special attention to Mediterranean anthropology by stressing key first century Mediterranean values Where applicable available papyri that may be relevant in understanding the parables of Jesus from a fresh perspective are used to assemble solid ancient comparanda for the practices and social realities that the parables presuppose The picture of Jesus that emerges from these readings is that of a social prophet The parables of Jesus as symbols of social transformation envisioned a transformed and alternative world This world for Jesus was the kingdom of God So Longeth My Soul Joanna Collicutt, 2024-06-30 Students of Christian spirituality often have an ambivalent attitude

to primary sources from the past On the one hand they are intrigued by the mysterious otherness of their and the promise that this very otherness may take them into exciting uncharted territory On the other hand they lack the confidence to navigate this territory so that what begins as strangely intriguing can quickly become just too weird The SCM Reader in Christian Spirituality not only offers a collection of readings from the classic texts of Christian spirituality but also gives the reader a way into these texts that enables them to be received as living and relevant for both personal spirituality and ministry An introductory section guides the student through the process and offers techniques for approaching these often ancient texts The Reader then presents readings from the patristic to the end of the early modern period encompassing both the Eastern and Western church traditions grouped around key themes and including extensive notes and contextual material

Scott Spencer, 2012-12-19 Engaging feminist hermeneutics and philosophy in addition to more traditional methods of biblical study **Salty Wives Spirited Mothers and Savvy Widows** demonstrates and celebrates the remarkable capability and ingenuity of

several women in the Gospel of Luke While recent studies have exposed women s limited opportunities for ministry in Luke Scott Spencer pulls the pendulum back from a negative feminist critical pole toward a more constructive center Granting that Luke sends somewhat mixed messages about women s work and status as Jesus disciples Spencer analyzes such women as Mary Elizabeth Joanna Martha and Mary and the infamous yet intriguing wife of Lot whom Jesus exhorts his followers to remember as well as the unrelentingly persistent women characters in Jesus parables *Galilee in the Late Second Temple and Mishnaic Periods, Volume 1* James Riley Strange,2015-07-10 Drawing on the expertise of archaeologists historians biblical scholars and social science interpreters who have devoted a significant amount of time and energy in the research of ancient Galilee this accessible volume includes modern general studies of Galilee and of Galilean history as well as specialized studies on taxation ethnicity religious practices road systems trade and markets education health village life houses and the urban rural divide This resource includes a rich selection of images figures charts and maps **Teach Yourself VISUALLY Astronomy** Richard Talcott,2008-11-13 From dramatic lunar eclipses to brilliant comets the night sky fascinates people Brimming with beautiful color photos this book walks you through everything you need to know to maximize your enjoyment of astronomy from choosing a telescope to identifying constellations and planets Whether you re a student hobbyist or lifelong stargazer you can turn to this book for practical guidance on observing stars planets moons and galaxies tracking meteors comets and eclipses choosing tools for viewing and photographing the skies Helpful star maps charts and timetables bring the sky to life **Peter** Tim Gray,2016-11-10 Renowned scholar Dr Tim Gray masterfully guides you through the tumultuous and inspiring life of Peter from his call to discipleship to his eventual martyrdom in Rome Using Sacred Scripture and tradition Dr Gray highlights these important lessons from Peter s life including How to become a trusting disciple and cast into the deep The pitfalls of living discipleship at a distance and the eventual denial that will come How to recover from sin and accept God s mercy How to become a bold witness to others of the love of Jesus Come to better know love and follow Jesus through the Rock on whom he built his Church *Putting Jesus in His Place* Halvor Moxnes,2003-01-01 This is a study of the Historical Jesus that pays close attention to the role of space and place from house to kingdom for understanding Jesus identity Halvor Moxnes employs a sociological and anthropological approach that promises to give greater depth to our perceptions of Jesus *The Gospel of John as Literature* Stibbe,2019-07-01 This volume contains thirteen essays written between 1900 and today Each of them takes as its starting point the Gospel of John as a literary unity The volume as a whole traces literary studies of John back to the early 1900 s and charts their development from then Some of these essays are little known even to Johannine scholars Others are recognized as classics in the field Two of them are translations This book is therefore a timely and indispensable resource for those interested in the history of the fourth gospel interpretation and in examples of literary methods applied to John [The Galilean](#) George Claude Lorimer,1892 *The Reception of Philo of Alexandria* Courtney J. P. Friesen,David Lincicum,David T. Runia,2025-01-12

Philo of Alexandria was a Jewish statesman philosopher and religious thinker A significant amount of his literary corpus was preserved by Christian hands and thereby came to resource numerous theologians in the Christian tradition After passing into obscurity in Jewish circles in antiquity Philo was rediscovered in the Italian Renaissance and came to feature in Jewish tradition once again Philo s works straddle an interest in exegesis and philosophy and the multi faceted contents of his thought ensured a long history of reception among readers with their own agendas This authoritative and systematic collection of essays by an international team of experts surveys Philo s reception from the time of his immediate contemporaries to the present day The book unfolds over six sections the first centuries late antiquity the middle ages the renaissance and early modern period from the eighteenth to the twentieth centuries and contemporary perspectives Has God Only One Blessing? Mary C. Boys,2000 Are we rivals for God s love Dramatic changes in theological thought about Judaism have not yet filtered down to most Christians This compelling book puts the academic scholarship into an accessible narrative form Foremost the book challenges Christians to re examine their traditional belief that Christianity has fulfilled and therefore replaced Judaism It also details the anti Jewish bias in history literature and liturgy yet does it without reducing such attitudes to simplistic hate An eye opening read Has God Only One Blessing summarizes the Church s shared history with Judaism Church treatment of Jews over time and its role in the Holocaust suggests more sensitive and productive ways for Christians to relate to Jews today shows how encounters with Judaism affect the way Christians think teach and preach about life Both absorbing and enjoyable this book is for o DREs o adult ed classes o catechists o religious educators o pastoral staff o liturgy committees o preachers o church historians o interfaith workers o all serious Christians o and also all serious Jews **Whose Historical Jesus?** William E. Reed,2002-05-01 Drawing on his years of field experience in Galilee the author illustrates how the archaeological record has been misused by New Testament scholars and how synthesis of the material culture is foundational for understanding Christian origins in Galilee and the Jewish culture out of which they arose Mapping Galilee in Josephus, Luke, and John John Vonder Bruegge,2016-05-30 The study of 1st century CE Galilee has

become an important subfield within the broader disciplines of Ancient Judaism and Early Christianity In Mapping Galilee John M Vonder Bruegge examines how Galilee is portrayed both in ancient writings and current scholarship as a variously mapped space using insights from critical geography as an evaluative lens Conventional approaches to Galilee treat it as a static backdrop for a deliberate and dynamic historical drama By reasserting geography as a creative process rather than a passive description Vonder Bruegge also reasserts ancient Galilee as an interpreted space a series of conceptualized maps laden with meaning significance and purpose for each individual author
