Tolkien to Terry Pratchett and Tad Williams Stefanie Schult, 2017-01-26 The doctoral thesis argues that the term Subcreation with its revised and broadened definition in part differing from J R R Tolkien s original term sub creation may be used for the discussion of the making of fictional worlds in literary discourse The successful conception of a fictional world depends on the reader s willing suspension of disbelief This depends both on the author and his skilled composition of the world and all its aspects as well as on the reader s acceptance of this invented fictional world The author needs to create a narrative with an inner consistency which is crucial to achieving the effect of the reader s immersion in the fictional world The fundamental aspects that an author needs to realize to achieve successful Subcreation have been structured into and analysed in four categories Language and Linguistic Variation Physiopoeia Anthropoeia and Mythopoeia Furthermore this thesis shows that as contemporary examples of fantastic literature both Tad Williams s and Terry Pratchett s fictional worlds are successfully created through the realization of these aspects of Subcreation Apart from commenting on

the success of the subcreative process this thesis also remarks upon the cultural influences both authors include in their writings While both may be considered Anglophone in a general categorization Pratchett s Discworld retains a feeling of Britishness that is not to be found in Williams s Otherland The thesis proposes several approaches to Subcreation that may be studied subsequently So for example it may be possible to determine the success of an author s Subcreation by collecting empirical data Apart from literary works this field of studies may also include other media Open and Unabashed Reviews on the Shadow Rising Sebastian Boeing,2013-03 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of The Shadow Rising Book Four of The Wheel of Time Don t say we didn t warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don t buy this book if 1 You don t have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You ve heard it all **The Library Journal** ,1993-04 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **The Publishers Weekly** ,2003 **Isaac Asimov's Science Fiction Magazine** ,1992 *Analog Science Fiction & Fact* ,1992 Origins of The Wheel of Time Michael Livingston,2022-11-10 NOW WITH EXCLUSIVE BONUS MATERIAL From author and scholar Michael Livingston Origins of The Wheel of Time is an authorised exploration of the inspirations behind the acclaimed series including the first biography of its creator Robert Jordan With an introduction by Jordan s editor and widow Harriet McDougal Explore never before seen insights into The Wheel of Time including A brand new redrawn world map by Ellisa Mitchell using change requests discovered in Robert Jordan s unpublished notes An alternate scene from an early draft of The Eye of the World An exclusive interview with the author This companion to the internationally bestselling series will delve into the creation of Robert Jordan s masterpiece drawing from interviews and an unprecedented examination of his unpublished notes Michael Livingston tells the behind the scenes story of who Jordan was including a chapter that is the very first published biography of the author how he worked and why he holds such an important place in modern literature The second part of the book is a glossary to the real world in The Wheel of Time King Arthur is in The Wheel of Time Merlin too But so is Alexander the Great and the Apollo Space Program the Norse gods and Napoleon s greatest defeat and so much more Origins of The Wheel of Time will provide exciting knowledge and insights to both new and long time fans looking either to expand their understanding of the series or unearth the real life influences that Jordan utilized in his world building all in one accessible text Jordan has come to dominate the world Tolkien began to reveal The New York Times on The Wheel of Time series **The One Mind** Matthew A.
