The Simpsons Season Guide:

"The Simpsons" , Simpson Family , The Little Guide to The Simpsons Orange Hippo!,2023-08-08 The Simpsons Matt Groening's animated sitcom is arguably the greatest show in TV history To its critics the dysfunctional family embodies the decline of wholesome values To its fans the show provides a window into America's soul with each new season seeing the Simpsons spiral into ever increasing levels of craziness reflecting the nation's blurring of parody with reality For more than 30 years and across nearly 750 episodes an entire generation has been shaped by some of the most influential and memorable characters on TV Homer the classic middle class anti hero Bart the lovable brat eternally trapped inside the body of a 10 year old who questions everything Lisa talented and gifted the voice of reason prepared to stand up and make herself heard and Marg overworked and underappreciated with endless amounts of forgiveness for Homer It may only be a cartoon on the surface but The Simpsons resonates with viewers on a much deeper level Offering charm humor and life lessons it's perfect TV that has stood the test of time Son if you really want something in this life you have to work for it Now quiet They're about to announce the lottery numbers Homer Simpson In 1998 the 10 year old Bart Simpson was named as one of the Most Influential People Of The Century by TIME Magazine **Leaving Springfield** John Alberti,2004 Since its first appearance as a series of cartoon vignettes in 1987 and its debut as a weekly program in 1990 The Simpsons has had multiple even contradictory media identities Although the show has featured biting political and social satire which often proves fatal to mass public acceptance The Simpsons entered fully into the mainstream consistently earning high ratings from audiences and critics alike Leaving Springfield addresses the success of The Simpsons as a corporate manufactured show that openly and self reflexively parodies the very consumer capitalism it simultaneously promotes By exploring such topics as the impact of the show's satire on its diverse viewing public and the position of The Simpsons in sitcom and television animation history the commentators develop insights into the ways parody intermixes with mass media to critique post modern society In spite of the longevity and high cultural profile of the show The Simpsons has so far attracted only scattered academic attention Leaving Springfield will be of importance to both scholars of media and fans of the show interested in the function of satire in popular culture in general and television in particular *Simpsons World The Ultimate Episode Guide* Matt Groening,2010-10-26 Look what you get in this cromulent compendium Comprehensive episode synopses for 20 seasons of Simpsons including 128 new gut busting episodes never before covered Stuff you may have missed More screen shots than ever before Over four hundred character profiles Every chalkboard phrase Bart has ever written Nifty new art throughout Quotes and quips from all your favorite characters Two or more jam packed pages devoted to every episode As well as Every couch gag A complete filmography of Itchy Scratchy Every D oh or Mmm Homer has ever uttered Every song ever sung by the citizens of Springfield Every marquee message from the First Church of Springfield A tribute to star of stage screen infomercials and filmstrips Troy McClure The largest collection of Krusty the Clown merchandise outside of Bart
