## **The Small American Landlord:**

*Problems of American Small Business* United States. Congress. Senate. Special Committee to Study Problems of American Small Business,1944      *Women Farm Landlords in the United States* Denise M. Rogers,1993      **Housing in America** Marijoan Bull,Alina Gross,2022-12-30 Housing is a fundamental need and universal part of human living that shapes our lives in profound ways that go far beyond basic sheltering Where we live can determine our self image social status health and safety quality of public services access to jobs and transportation options But the reality for many in America is that housing choices are constrained costs are unaffordable discriminatory practices remain and physical features do not align with needs We have made a national commitment to decent housing for all yet this promise remains unrealized Housing in America provides a broad overview of the field of housing The evolution of housing norms and policy is explored in a historical context while underscoring the human and cultural dimensions of housing program choices Specific topics covered include why housing matters housing and culture housing frameworks and political ideologies housing and opportunities housing and the economy housing discrimination housing affordability rental housing and housing and climate change Readers will gain an understanding of the basic debates within the field of housing consider the motivations and performance of various interventions and critically examine persistent patterns of racial and class inequality With short case studies primary source materials reflective exercises strong visuals and interviews with practitioners this introductory text explores improving housing choices in America      *Small Business and the Quality of American Life* ,1978      **Ireland, Irish America, and Work** Amy L. May,Donna L. Potts,2019-01-18 This volume offers perspectives on the history of labour in Ireland as well as on Irish American labor particularly since the mass emigration prompted by the famine of the 1840s It also examines the specific role that the Irish played in the Inland Northwest as well as the intersections between the concerns of the Irish and Irish Americans and those of the Spokane and Coeur d Alene Indians who inhabited the region when European immigrants first arrived It relies for its theoretical foundations on labour postcolonial and feminist theory      **Extension of Rent Control** United States. Congress. Senate. Committee on Banking and Currency,1950      **Commercial Tariffs and Regulations, of the Several States of Europe and America** John Macgregor,1843      *Landlord and Tenant* Alan Gilbert,Ann Varley,2002-09-11 This ground breaking work employs survey data and in depth interviews to compile a detailed picture of landlords and tenants in developing countries Focusing on Mexico the authors examine the state s housing policy with its clear bias towards increasing home ownership and explores the possibilities of improving the quality and increasing the stock of rented accommodation in the developing World      *Commercial Tariffs and Regulations of the Several States of Europe and America Together with the Commercial Treaties Between England and Foreign Countries Presented to Both Houses of Parliament ...* ,1843      *Housing Urban America* E. Jay Howenstine,2017-09-04 Life liberty and the pursuit of housing an increasingly difficult quest in the contemporary urban United States where crime urban blight and continuing

capital decay undercut the advantages of city living The American dream has moved to the suburbs the nightmare of our cities prompts new recognition both in the president s cabinet and the college curriculum The editors of this book have updated their acclaimed earlier collection providing new introductory articles new papers such as Discrimination in Housing Prices and Mortgage Lending A Summary Report of Current Findings from the Experimental Housing Allowance Program Alternative Mortgage Designs and Their Effectiveness in Eliminating Demand and Supply Effects on Inflation and a new bibliography of the literature Additional chapters focus on differing strategies for improved urban housing and renewal by providing concrete suggestions for distributing existing resources and allocating new funding The bibliography provides the best single guide to the current literature on housing Housing Urban America in this new edition is an important guide to those students and scholars fascinated by the essential questions of adequate housing its social costs and the source of the revenues to provide it

**Rent Control Legislation** United States. Congress. Senate. Committee on Banking and Currency, United States. Congress. Senate. Committee on Banking and Currency. Subcommittee on Housing and Rents, 1949 Considers legislation to extend and strengthen the rent control provisions of the Housing and Rent Act of 1947

**Rent Control in North America and Four European Countries** William Smith, Michael Teitz, 2020-02-18 Rent control the governmental regulation of the level of payment and tenure rights for rental housing occupies a small but unique niche within the broad domain of public regulation of markets The price of housing cannot be regulated by establishing a single price for a given level of quality as other commodities such as electricity and sugar have been regulated at various times Rent regulation requires that a price level be established for each individual housing unit which in turn implies a level of complexity in structure and oversight that is unequaled Housing provides a sense of security defines our financial and emotional well being and influences our self definition Not surprisingly attempts to regulate its price arouse intense controversy Residential rent control is praised as a guarantor of affordable housing excoriated as an indefensible distortion of the market and both admired and feared as an attempt to transform the very meaning of housing access and ownership This book provides a thorough assessment of the evolution of rent regulation in North American cities Contributors sketch rent control s origins legal status economic impacts political dynamics and social meaning Case studies of rent regulation in specific North American cities from New York and Washington DC to Berkeley and Toronto are also presented This is an important primer for students advocates and practitioners of housing policy and provides essential insights on the intersection of government and markets
