owner He doesn't anticipate the feisty and beautiful sandwich maker nor the stack of increasingly threatening letters Clearly both will require additional investigation Chloe is less than pleased with how the day is going for several reasons One of her waiters invites police detectives into her kitchen and her annoying ex shows up again to brag and try to get her to come back to work for him all after another bothersome letter arrives that morning Chloe is determined to handle them all herself Never again will she be subservient to or dependent on someone else especially a man So when the big and frustratingly handsome Detective Mallory literally picks her up to prevent her from handling her ex with a wooden spoon she's exasperated at his intrusion But she's also flustered at how much she likes the feel of his muscular arm around her Colt and Chloe's meeting could signal the start of something interesting if the writer of those letters doesn't get his way first Enjoy *Intimate Whispers* book four in *The Love and Danger Series* [Greta Garbo](#) David Bret, 2012-06-25 In the male oriented studio system Greta Garbo wielded a power no other actress has ever possessed before or since Be it producer director lover or journalist Garbo called the shots and when she decided that she was done with the whirlwind of life as Hollywood's darling she withdrew completely leaving her public begging for an encore that never came Though there have been numerous biographies of Garbo this is the first to investigate fully the two so called missing periods in the life of this most enigmatic of Hollywood stars the first during the late 1920s forcing MGM to employ a lookalike to conceal what was almost certainly a pregnancy the second during World War II when Garbo was employed by British Intelligence to track down Nazi sympathisers It also analyses in detail the original uncensored copies of Garbo's films with the exception of *The Divine Woman* of which no complete print survives and offers substantial evidence that John Gilbert was not in fact the great love of her life Rather her true affections lay with the gay Sapphic and Scandinavian members of her very intimate inner circle Using previously unsourced material along with anecdotes from friends and colleagues that have never before been published David Bret paints a rounded portrait of Garbo's childhood in Sweden her rise to stardom and her all too brief reign as queen of MGM Hers is a truly remarkable story recounted here with warmth intensity and unique insight [The Spanish Tycoon's Temptress](#) Elizabeth Lennox, 2013-03-01 To save his legacy he must risk his heart but can they rewrite their story Seven years ago Elana Catalano fell for Gaston Montebello a devastatingly handsome Spanish businessman who promised her forever until he vanished leaving her shattered and betrayed Now Gaston is back standing in her apartment with secrets in his eyes and an offer she can't comprehend She swore never to trust him again but his return upends her carefully rebuilt life Gaston has his own demons With his father's dying wish hinging on a book held hostage by an old enemy he's forced to confront the one woman who betrayed him Elana The price of reclaiming the book A marriage to the woman he vowed to never forgive As their worlds collide once more passion and betrayal ignite and both must confront the truth were they ever enemies or is their love worth fighting for *Yachting*, 1991-09 *The Hispanic 100* Himilce Novas, 1995 Includes index
