*The Spectre Vol. 1: Crimes and Judgments* John Ostrander, 2014-05-20 In these never before collected tales from the 1990s police detective Jim Corrigan tries to end his mission as The Spectre But the grisly crimes of a serial killer pulls him back into the battle for justice and sends him on a trip to hell itself And the enigmatic mystic known as Madame Xanadu tries to help Corrigan and his friends but her help may lead one of them to commit suicide Collects THE SPECTRE 1 12

Theories of Co-perpetration in International Criminal Law Lachezar D. Yanev, 2018-05-07 The proper construction of co perpetration responsibility in international criminal law has become one of the most enduring controversies in this field with the UN Tribunals endorsing the theory of joint criminal enterprise and the International Criminal Court adopting the alternative joint control over the crime theory to define this mode of liability This book seeks to reconcile the ICTY R s and ICC s jurisprudence by providing a definition of co perpetration that could be uniformly applied in the two justice models that these institutions represent the ad hoc and the treaty based model An evaluation framework is adopted pursuant to which the origins merits and deficiencies of the said competing theories are critically assessed and a refined legal framework of co perpetration responsibility is proposed Bioethics, Medicine and the Criminal Law: Volume 1, The Criminal Law and Bioethical Conflict: Walking the Tightrope Amel Alghrani, Rebecca Bennett, Suzanne Ost, 2012-11-01

Who should define what constitutes ethical and lawful medical practice Judges Doctors Scientists Or someone else entirely This volume analyses how effectively criminal law operates as a forum for resolving ethical conflict in the delivery of health care It addresses key questions such as how does criminal law regulate controversial bioethical areas What effect positive or negative does the use of criminal law have when regulating bioethical conflict And can the law accommodate moral controversy By exploring criminal law in theory and in practice and examining the broad field of bioethics as opposed to the narrower terrain of medical ethics it offers balanced arguments that will help readers form reasoned views on the ethical legitimacy of the invocation and use of criminal law to regulate medical and scientific practice and bioethical issues **International Criminal Law** Douglas Guilfoyle, 2016

This unique textbook provides an accessible introduction to a fascinating subject area Written with student needs at its heart innovative features such as Counterpoint and Pause for reflection boxes highlight current debates and areas worthy of more detailed analysis providing students with the tools they need to develop their knowledge and start thinking critically about the law Learning outcomes open each chapter and are complemented by closing summaries to further support student understanding Structured in four parts the book first sets out the key international law principles which assume special significance in relation to international criminal law before going on to consider international criminal tribunals the prosecution of international crimes and the core international crimes which have been prosecuted to date Finally consideration is given to issues such as legal defences and immunities under international law Written by an outstanding scholar and teacher this user friendly text offers a unique approach to the subject area making

it the ideal choice for those new to the subject area Online Resource Centre This book is accompanied by a free Online Resource Centre hosting links to key international law documents additional material on the victims of crime and updates on important developments within the subject area **The Spectre: Crimes and judgments** John Ostrander,2014

**On Crimes and Punishments and Other Writings** Cesare Beccaria,2009-05-05

Published in 1764 On Crimes and Punishments by Cesare Beccaria 1738 1794 courted both success and controversy in Europe and North America Enlightenment luminaries and enlightened monarchs alike lauded the text and looked to it for ideas that might help guide the various reform projects of the day The equality of every citizen before the law the right to a fair trial the abolition of the death penalty the elimination of the use of torture in criminal interrogations these are but a few of the vital arguments articulated by Beccaria This volume offers a new English translation of On Crimes and Punishment alongside writings by a number of Beccaria s contemporaries Of particular interest is Voltaire s commentary on the text which is included in its entirety The supplementary materials testify not only to the power and significance of Beccaria s ideas but to the controversial reception of his book At the same time that philosophes proclaimed that it contained principles of enduring importance to any society grappling with matters of political and criminal justice allies of the ancien r gime roundly denounced it fearing that the book s attack on feudal privileges and its call to separate law from religion and thus crime from sin would undermine their longstanding privileges and powers Long appreciated as a foundational text in criminology Beccaria s arguments have become central in debates over capital punishment This new edition presents Beccaria s On Crimes and Punishments as an important and influential work of Enlightenment political theory **Manitoba**

*Research Handbook on the Theory and Practice of International Lawmaking* Catherine Brölmann, Yannick Radi, 2016-04-29 The global landscape has changed profoundly over the past decades As a result the making of international law and the way we think about it has become more and more diversified This Research Handbook offers a comprehensive guide to the theory and practice of international lawmaking today It takes stock at both the conceptual and the empirical levels of the instruments processes and actors involved in the making of international law The editors have taken an approach which carefully combines theory and practice in order to provide both an overview and a critical reflection of international lawmaking Comprehensive and well structured the book contains essays by leading scholars on key aspects of international lawmaking and on lawmaking in the main issue areas Attention is paid to classic processes as well as new developments and shades of normativity This timely and authoritative Handbook will be a valuable resource for academics students legal practitioners diplomats government and international organization officials as well as civil society representatives *The Law Reports of the Special Court for Sierra Leone (2 vols.)* Charles Chernor Jalloh, Simon Meisenberg, 2012-09-15 The Special Court for Sierra Leone was established through signature of a bilateral treaty between the United Nations and the Government of Sierra Leone in early 2002 making it the third modern ad hoc international criminal tribunal The tribunal has tried various persons including former Liberian President Charles Ghankay Taylor for allegedly bearing greatest responsibility for serious violations of international humanitarian law committed during the latter

half of the Sierra Leonean armed conflict This volume which consists of two books and a DVD and is edited by two legal experts on the Sierra Leone court presents for the first time in a single place a comprehensive collection of all the interlocutory decisions and final trial and appeals judgments issued by the court in the case Prosecutor v Brima Kamara and Kanu It contains the full text of all substantive judicial decisions including the majority separate and concurring as well as dissenting opinions It additionally provides relevant information for a better understanding of the case such as the indictments a list of admitted exhibits and a list of documents on the case file The book which is only the first in a series of edited law reports that will capture the entire jurisprudential legacy of the tribunal fills the gap for a single and authoritative reference source of the tribunal's jurisprudence It is intended for national and international judges lawyers academics students and other researchers as well as transitional justice practitioners in courts tribunals and truth commissions as well as anyone seeking an accurate record of the trials conducted by the Special Court for Sierra Leone N B The hardback copy of this title contains a DVD with documents The e book version does not Buy the complete set of 4 volumes 10 books in total with a discount see isbn 978 90 04 22161 1 The complete set consists of Volume 1 isbn 9789004189119 2 books Volume 2 isbn 9789004221635 2 books Volume 3 isbn 9789004221673 3 books Volume 4 isbn 9789004221659 3 books Novel Judgements William P. MacNeil, 2011-09-08 Novel Judgements is a book about nineteenth century Anglo American law and literature But by redefining law as legal theory Novel judgements departs from socio legal studies of law and literature often dated in their focus on past lawyering and court processes This text's theoretical turn renders the period's law and literature relevant to today's readers because the nineteenth century novel when read jurisprudentially abounds in representations of law's controlling concepts many of which are still with us today Rights justice law's morality each are encoded novelistically in stock devices such as the country house friendship love courtship and marriage In so rendering the public law as private domesticity these novels expose for legal and literary scholars alike the ways in which law comes to mediate all relationships individual and collective personal and political during the nineteenth century a period as much under the Rule of Law as the reign of Capital So these novels pass judgement a novel judgement on the extent to which the nineteenth century's idea of law is collusive with that era's Capital thereby opening up the possibility of a new legal theoretical position that of a critique of the law and a law of critique *Hague Yearbook of International Law / Annuaire de La Haye de Droit International, Vol. 23 (2010)* Nikos Lavranos, Ruth A. Kok, 2019-03-25 The title of the Hague Yearbook of International Law reflects the close ties which have always existed between the AAA and the City of The Hague with its international law institutions and indicates the Yearbook's aim of devoting attention to developments taking place in the international law institutions based in The Hague However the Yearbook has a broader scope as well to offer a platform for review of new developments in the field of international law As of the 2010 Volume the Yearbook will be compiled by a new and expanded Editorial Board offering fresh ideas and a new approach A newly established Advisory Board has also been added including ICJ Judge Bruno Simma Serge

Brammertz Prosecutor of the International Criminal Tribunal for the Former Yugoslavia ICTY Jacomijn J van Haersolte van Hof advocate advocaat at HaersolteHof and arbitrator The Netherlands and Professor Peter Hilpold Innsbruck University Austria Sections have been created on public international law private international law international investment law and international criminal law containing in depth articles on current issues The breadth of the Yearbook s content thus offers an interesting and valuable illustration of the dynamic developments in the various sub areas of international law
