Unbearable Lightness of Legal Antipaternalism Giorgio Maniaci, 2025-07-09 The book pays homage to and deepens the well known themes of On Liberty by John Stuart Mill and Harm to Self by Joel Feinberg It explores topics such as the arguments for and against legal paternalism and antipaternalism the value of individual autonomy in support of legal antipaternalism the slippery slope argument and moral perfectionism in favor of paternalism But is the value of individual autonomy an unstoppable force Is it an irresistible argumentative force Is its lightness unbearable The central question debated by legal paternalists and antipaternalists is the extent to which individuals can legitimately make decisions about their own bodies and lives provided they do no harm to others In order to address that question the book presents expert analyses of highly controversial moral and legal issues regarding the legitimacy or illegitimacy of practices such as prostitution violent sadomasochistic behavior drug trafficking and drug consumption euthanasia assisted suicide extreme sports and voluntary slavery contracts Pursuing a legal moral and philosophical approach based on the author's extensive research it makes valuable contributions to the fields of legal and moral ethics legal and moral philosophy and criminal law After a Good Man Cheats: Dr. Caroline Madden, Marriage Therapist, 2015-02-17 This book is a practical and doctrine action plan that will walk you through the first stages after your wife has discovered your infidelity You ll learn the things your wife is going to feel say and do giving you the following Insight into what she is thinking and why this is so hard for her to get over Practical advice so you know exactly what to do at this important stage Actual scripts so you know what to say in response to very specific situations Clear explanations as to why certain words and actions you think will be helpful might be making this worse Two self administered guizzes to help you determine why you cheated so that you can get a better understanding of what triggered your affair Included at the appropriate points are scripts of what to say and why you need to say those words at that time Do not just memorize these words and parrot them back to your wife You have already lost her trust if you start using words you don't normally use you'll sound like you re faking it You will want to translate the scripts into your own natural wording using the meaning of each script as a launching pad for productive healing dialogue with your wife Also other these other questions are answered She doesn t know I feel guilty Should I tell her the truth We aren t married yet How does that impact recovering from the affair I didn t have a physical relationship with my Affair Partner why is my wife so upset What is an Emotional Affair Short Introduction to Corporate Finance Raghavendra Rau, 2017-01-11 The Short Introduction to Corporate Finance provides an accessibly written guide to contemporary financial institutional practice Rau deploys both his professional expertise and experience of teaching MBA and graduate level courses to produce a lively discussion of the key concepts of finance liberally illustrated with real world examples Built around six essential paradigms he builds an integrated framework covering all the major ideas in finance over the past half century Ideal for students and practitioners alike it will become core reading for anyone aspiring to become an effective manager Light on Liszt and His Music Alan Walker, 1997 The second volume in the Liszt Studies series looks at discoveries about the

composer s life and work **The Science of Romance** , A Worldview of Everything Brian Cronin, 2022-11-30 Philosophy has sometimes been described as the discipline in which you can never be wrong as the reserve of absentminded professors aloof academics and purveyors of obscure ideas or interesting opinions Quite the contrary Philosophy answers the hard questions Does everything happen by chance Is there anything more than matter in the universe Are humans in the same class as animals Is there a God Can we know the correct answer to these questions The answers to these questions matter We are all philosophers even though we are not aware of the fact We each have a set of ultimate priorities and principles answers to these questions a big picture that determines our everyday thoughts decisions and actions In this book Brian Cronin uses the ideas of Bernard Lonergan's Insight A Study of Human Understanding to argue methodically towards a correct critical comprehensive worldview an answer to those big questions which is the precise task of first philosophy This book is an accessible and readable presentation of Lonergan's metaphysics a somewhat neglected topic Science and philosophy are complementary Scientists answer the concrete detailed questions about everything around us the parts Philosophy integrates all these into a correct worldview of the whole of everything Campus Gods on Trial Chad Walsh.1962 Sense and Nonsense of Statistical Inference Charmont Wang, 2020-07-24 This volume focuses on the abuse of statistical inference in scientific and statistical literature as well as in a variety of other sources presenting examples of misused statistics to show that many scientists and statisticians are unaware of or unwilling to challenge the chaotic state of statistical practices The book provides examples of ubiquitous statistical tests taken from the biomedical and behavioural sciences economics and the statistical literature discusses conflicting views of randomization emphasizing certain aspects of induction and epistemology reveals fallacious practices in statistical causal inference stressing the misuse of regression models and time series analysis as instant formulas to draw causal relationships treats constructive uses of statistics such as a modern version of Fisher's puzzle Bayesian analysis Shewhart control chart descriptive statistics chi square test nonlinear modeling spectral estimation and Markov processes in quality control Mathematical and Statistical Skills in the Biopharmaceutical Industry Arkadiy Pitman, Oleksandr Sverdlov, L. Bruce Pearce, 2019-07-15 Mathematical and Statistical Skills in the Biopharmaceutical Industry A Pragmatic Approach describes a philosophy of efficient problem solving showcased using examples pertinent to the biostatistics function in clinical drug development It was written to share a quintessence of the authors experiences acquired during many years of relevant work in the biopharmaceutical industry The book will be useful will be useful for biopharmaceutical industry statisticians at different seniority levels and for graduate students who consider a biostatistics related career in this industry Features Describes a system of principles for pragmatic problem solving in clinical drug development Discusses differences in the work of a biostatistician in small pharma and big pharma Explains the importance relevance of statistical programming and data management for biostatistics and necessity for integration on various levels Describes some useful statistical background that can be capitalized upon in the drug

development enterprise Explains some hot topics and current trends in biostatistics in simple non technical terms Discusses incompleteness of any system of standard operating procedures rules and regulations Provides a classification of scoring systems and proposes a novel approach for evaluation of the safety outcome for a completed randomized clinical trial Presents applications of the problem solving philosophy in a highly problematic transfusion field where many investigational compounds have failed Discusses realistic planning of open ended projects Drummer In the Dark T. Davis Bunn, 2002-03-05 In a rip roaring plot that could be torn from tomorrow s headlines bestselling author T Davis Bunn weaves political intrigues and disturbing moral dilemmas into a chillingly credible portrait of the cutthroat world of international finance Jackie Havilland is working in an Orlando detective agency when she is approached with an unusual request Esther Hutchings wife of Congressman Graham Hutchings wants Jackie to find out who is behind a smear campaign to destroy her husband who has recently suffered a debilitating stroke Congressman Hutchings was investigating a secret project called Tsunami the biggest currency scam in history Jackie is instructed to unearth all she can and to leave no paper trail Wynn Bryant a successful wealthy businessman is the brother in law of the governor of Florida Wynn has never liked politics and is surprised when his brother in law contrives to have him take Hutchings's place in Congress The reason soon becomes clear Legislation to relieve Third World countries of their debt dubbed the Jubilee Amendment is in the offing and the governor is determined to have it guashed at any cost Just as Wynn is about to decline the position he is told that refusing isn t an option As Jackie and Wynn get more deeply involved in their new assignments they begin to feel ripples of a conspiracy carrying a destructive power far more dangerous than the notorious Tsunami scam It is a killer wave that threatens to crush them both and permanently reshape the world economy In his previous Doubleday novel The Great Divide T Davis Bunn spun a legal thriller that wowed critics and readers alike In Drummer in the Dark he captures contemporary political and financial maneuverings with the same dazzling artistry Climaxing in a highly charged showdown between the demands of morality and the driving forces of economic globalization in our increasingly interdependent world Drummer in the Dark brings the suspense novel to a whole new level of excitement Adolescent Sexuality in a Changing American Society Catherine S. Chilman, 1978 The Optimism Bias Tali Sharot, 2012-01-05 Winner of the British Psychological Society Book Award for Popular Psychology Psychologists have long been aware that most people tend to maintain an irrationally positive outlook on life In fact optimism may be crucial to our existence Tali Sharot's original cognitive research demonstrates in surprising ways the biological basis for optimism In this fascinating exploration she takes an in depth clarifying look at how the brain generates hope and what happens when it fails how the brains of optimists and pessimists differ why we are terrible at predicting what will make us happy how anticipation and dread affect us and how our optimistic illusions affect our financial professional and emotional decisions With its cutting edge science and its wide ranging and accessible narrative The Optimism Bias provides us with startling new insight into how the workings of the brain create our hopes and dreams

Uncertainty William Briggs, 2016-07-15 This book presents a philosophical approach to probability and probabilistic thinking considering the underpinnings of probabilistic reasoning and modeling which effectively underlie everything in data science The ultimate goal is to call into question many standard tenets and lay the philosophical and probabilistic groundwork and infrastructure for statistical modeling It is the first book devoted to the philosophy of data aimed at working scientists and calls for a new consideration in the practice of probability and statistics to eliminate what has been referred to as the Cult of Statistical Significance The book explains the philosophy of these ideas and not the mathematics though there are a handful of mathematical examples The topics are logically laid out starting with basic philosophy as related to probability statistics and science and stepping through the key probabilistic ideas and concepts and ending with statistical models Its jargon free approach asserts that standard methods such as out of the box regression cannot help in discovering cause This new way of looking at uncertainty ties together disparate fields probability physics biology the soft sciences computer science because each aims at discovering cause of effects It broadens the understanding beyond frequentist and Bayesian methods to propose a Third Way of modeling The 30-Day Love Detox Wendy Walsh, 2013-04-23 There is no question the terrain has changed We can do what we want and date who we want but do we have the tools to navigate our hard won sexual freedom Now from the dating doyenne of the Sex and the City generation comes a groundbreaking prescription for smart savvy slow love Dr Wendy Walsh's outside the box approach to relationships turns traditional thinking on its head by using evolutionary psychology to offer advice that is both empowering and practical In The 30 Day Love Detox Walsh offers a step by step five part attachment strategy with a 30 day detox that helps weed out the bad boys and sets you up to meet the right guy including The five sexual myths that keep women single When to say yes to sex in a new relationship How to use technology to bring your crush closer How to spot a commitment oriented man at his peak readiness Melding scientific research anthropological truths and proven techniques The 30 Day Love Detox is a revolutionary road map to finding lasting love in a modern world **Bisexual Resource Guide** Robyn Ochs, 2001 This guide lists 352 bi groups and 2129 bi inclusive groups in 66 countries and includes bibliographies an annotated list of recommended films advertising photos quotes cartoons and an electronic resources section *The American Scrap Book and Magazine of United States* Literature ,1862
