*A Story Without Names, and Other Poems* James Bownes,1876      *Son of the Shoah* Martin Herskovitz,2025-06-05 In this book of poetry Martin Herskovitz the son of Holocaust survivors manifests a language of remembrance that describes not the desolation and destruction but rather the possibility of grieving of finding compassion and healing It is a language that evokes the trauma of the Shoah but also allows its processing After eighty years the landscape of Holocaust memory is shifting and in many ways slipping away As a second generation survivor testimony this work represents a new narrative which both reinvigorates and brings a new relevance to Holocaust remembrance      **Relating Narratives** Adriana Cavarero,2000 Drawing from a diverse array of thinkers from philosophical and literary traditions this text shows how narrative models can open new ways of thinking about formation of human identities      *The If Odyssey* Peter Worley,2012-12-06 Using Homer s epic tales as inspiration this book offers teachers session plans and storytelling tips to facilitate philosophical discussions with children aged 9 14      *Lippincott's Magazine* ,1881      *Children's Stories and 'Child-Time' in the Works of Joseph Cornell and the Transatlantic Avant-Garde* Analisa Leppanen-Guerra,2017-07-05 Focusing on his evocative and profound references to children and their stories Children s Stories and Child Time in the Works of Joseph Cornell and the Transatlantic Avant Garde studies the relationship between the artist s work on childhood and his search for a transfigured concept of time This study also situates Cornell and his art in the broader context of the transatlantic avant garde of the 1930s and 40s Analisa Leppanen Guerra explores the children s stories that Cornell perceived as fundamental in order to unpack the dense network of associations in his under studied multimedia works Moving away from the usual focus on his box constructions the author directs her attention to Cornell s film and theater scenarios explorations dossiers and book objects One highlight of this study is a work that may well be the first artist s book of its kind and has only been exhibited twice Untitled Journal d Agriculture Pratique presented as Cornell s enigmatic tribute to Lewis Carroll s Alice books      No Longer Unknown William Rowland , Marna Neal,2014-10-29 Visit any of the approximately 150 national military cemeteries in the United States and collectively you will find nearly 1 000 000 headstones marking the final resting place of U S Military personnel killed in battles beginning with the Civil War to the present Spend an extra few minutes reading the names on the headstones and you will find representatives of every ethnic religious geographic and societal group existing in America today Their names dates of birth and death their military rank and last unit and their home state are clearly carved in stone That s only half the story Lift your eyes look around and you will see other identical headstones identical in shape and size but different in that these stones bear no name except Unknown      **No Name** Wilkie Collins,1862      *Outing the Senator* David O'Toole,2005      **The Story Without a Name (Classic Reprint)** Barbey D'Aurevilly,2017-09-12 Excerpt from The Story Without a Name At the hour when the curtains drawn the candles lighted this alchemist elaborates his work little he cares whether or not it will interest you You the future reader are

the Year Encircled Lands these essays explore sidepaths and previously unexamined histories They notably delve into the lives of powerful early M ori figures including the prophets Rua Kenana and Te Kooti their wives and their descendants and the leaders of the Urewera Binney brings figures out of the shadows explores place and revives memory ensuring that the histories that matter do indeed become stories without end *Love and Providence* Silvia Montiglio, 2013 Love and Providence provides the first study of the recognition scene in Greek romantic novels and its significance in the ancient literary tradition *A Stolen Name, or, The Man Who Defied Nick Carter* Nicholas Carter, 2021-08-30 Excerpt Bare Faced Jimmy so called gentleman crook expert cracksman and a master criminal in any department of the underworld to which he cared to devote his attention leaned backward in his chair until it tilted against the wall behind him blew a cloud of Perfecto smoke ceilingward and remarked It will be the easiest thing in the world Juno If the objective point were a fortune even a moderate one if the thing contemplated included the theft of a single dollar in cash or in estate it would be different but it doesn't No it does not Really Juno if one pauses to think seriously about it from that point of view it is almost laughable That is why I have been smiling at the idea ever since you mentioned it returned the woman applying a lighted match to a cigarette with all the grace and abandon of one who had been long accustomed to the practice As a matter of fact Jimmy continued as if he had not heard her remark if I do decide to undertake it the only things that I steal will be a lot of debts and who ever heard of stealing debts Eh There certainly is novelty in the thought was the quick reply If some gracious person had done you the honor to steal yours long ago Oh yes my dear that is quite true only we won't go into the long ago matters just now if you please The woman shrugged her shoulders and picked up from her lap a book that she had been reading For a time she devoted her attention to the pages and then her companion broke the silence again I think I'll do it he said decidedly I see great possibilities in the adventure Juno will you be good enough to lay that book aside for a few moments and to give me your undivided attention Gladly she replied if you will condescend to speak out plainly instead of confining yourself to generalities All right my dear here goes In the State of Virginia bordering on the Potomac River and washed by the waters of two other streams which by courtesy are also called rivers lies an estate which consists of something more than eight hundred acres The title to that estate is in the name of James Ledger Dinwiddie who Who at the present moment lies dead in the adjoining room in this house she interrupted him but he only chuckled as he responded On the contrary he is seated here before you now he is talking with you he is referring to that dear old plantation in dearer old Virginia which ever since the days of Bushrod Washington has been called by the name of Kingsgift the Lord only knows why unless some dead and forgotten king gave it as a present to the original Dinwiddie Henceforth my dear I am Ledger Dinwiddie owner of an estate in Virginia that is mortgaged for more than it was ever worth for much more than it would ever bring at a forced sale I am also the undisputed owner of a choice collection of debts of an old colonial house that is now falling into ruins of numerous other buildings that are in various stages of dilapidation and of numerous other things of the same sort all of which are not only

entirely worthless but are really much worse than worthless and there you are     The Reader ,1863     *The Story Without a Name* Jules Barbey d'Aurevilly,1892     **Gazetteer of the Bombay Presidency: Gujarat: Surat and Broach** ,1877
