

The background of the slide is a stylized landscape. It features several layers of blue mountains, with the foreground mountains being a darker shade of blue and the background mountains being a lighter shade. The sky is a gradient of orange and yellow, suggesting a sunset or sunrise. The overall style is minimalist and artistic.

The sun still shines.

The Sun Still Shines:

The Sun Still Shines C. Don Jones, 2023-05-25 Deciding your life is worth living after losing almost everything can be the greatest challenge in a person's life. This is the story of someone making that decision. How does life go off the rails for people who devote their lives to the work of God and helping other people meet the challenges of their lives? It is easier than most people imagine. How do people rebuild their lives? Answering this question is difficult. Many people do, however, and that means there is hope for every person who struggles with addiction. Recovery may be the wrong word. We probably should say beginning again. Making life new brings hurdles most people never have to jump. It is still possible to run in the race even if you begin by crawling. The story told in The Sun Still Shines is about how rebuilding and growing again in faith is possible.

The Sun Still Shines Jodi Orgill Brown, 2020-11-15 In this bestselling and award-winning candid memoir Jodi Orgill Brown recounts how her life was transformed when as a thirty-three-year-old wife and mother she was diagnosed with an inoperable brain tumor. Unwilling to accept her new fate, Jodi's family searches for a doctor who will join their fight against the odds. But when the surgery that could save her life thrusts her into battle with a devastating spinal fluid leak and facial paralysis, even her own children fear her new appearance and physical failings. Jodi perseveres even with an injured body and spirit. Interweaving the inspiring, provoking, and sometimes disturbing, Jodi reveals the hells and highs of her journey as she fights for hope and purpose and life.
