The Saint Closes The Case:

The Saint Closes the Case Leslie Charteris, 2013-02-28 Simon Templar is the Saint daring dazzling and just a little disreputable On the side of the law but standing outside it he dispenses his own brand of justice one criminal at a time When the Saint and Patricia Holm stumble upon a government test of a weapon of mass destruction they realise they've seen something that must be kept away from the wrong hands But the Saint's nemesis Rayt Marius is already nearby There is only one way to stop Marius from using the weapon to start a war kidnapping the scientist who built it The plot comes to a climax on the banks of the River Thames and not everyone will survive The Saint Closes the Case, Etc Leslie Charteris, 1960

The Last Hero Leslie Charteris, 1941 **The Saint** Burl Barer, 2003-05-30 The now legendary character created by Leslie Charteris has survived nearly three quarters of a century of perilous action and narrow escapes with nary a hair out of place nor the slightest jolt to his jauntily tipped halo From his earliest days battling crooks blood suckers traders in vice and damnation and cracking the occasional safe on the side the Saint has captured the imaginations of millions Using the voluminous correspondence and writings of author Leslie Charteris and examining the many incarnations of Simon Templar alias The Saint in other media a detailed history emerges Includes plot synopses of the radio and television programs with air dates and production credits descriptions of the movies and their credits a bibliography reviews of the books and quotes from the principals **Sequels** Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series *The Avenging Saint* Leslie Charteris, 2013-02-28 Simon Templar is the Saint daring dazzling and just a little disreputable On the side of the law but standing outside it he dispenses his own brand of justice one criminal at a time After a fruitless chase across Europe on the tail of his enemy Rayt Marius the Saint returns to London with a price on his head But adventure is never far from Simon Templar's door and soon he finds himself rescuing Sonia Delmar a munitions heiress from Marius's clutches Sonia allies with the Saint in a bid to prevent Marius and his ally Prince Rudolf bringing war and destruction to Europe *Dexter and Philosophy* Richard Greene, George A. Reisch, Rachel Robison, 2011-04-12 What explains the huge popular following for Dexter currently the most watched show on cable which sympathetically depicts a serial killer driven by a cruel compulsion to brutally slay one victim after another Although Dexter Morgan kills only killers he is not a vigilante animated by a sense of justice but a charming psychopath animated by a lust to kill ritualistically and bloodily However his gory appetite is controlled by Harry's Code which limits his victims to those who have gotten away with murder and his job as a blood spatter expert for the Miami police department gives him the inside track on just who those legitimate targets may be In *Dexter and Philosophy* an elite team of philosophers don their rubber gloves and put Dexter's deeds under the microscope Since Dexter is driven to ritual murder by his Dark Passenger can he be blamed for killing especially as he only murders other murderers Does Dexter fit the profile of the familiar fictional type of the superhero What part does luck play in making Dexter who he is

How and why are horror and disgust turned into aesthetic pleasure for the TV viewer How essential is Dexter s emotional coldness to his lust for slicing people up Are Dexter s lies and deceptions any worse than the lies and deceptions of the non criminals around him Why does Dexter long to be a normal human being and why can t he accomplish this apparently simple goal
