Gordon, 2017-10-31 The Hawthorn Archive named after the richly fabled tree has long welcomed the participants in the various Euro American social struggles against slavery racial capitalism imperialism and authoritarian forms of order The Archive is not a library or a research collection in the conventional sense but rather a disorganized and fugitive space for the development of a political consciousness of being indifferent to the deadly forms of power that characterize our society Housed by the Archive are autonomous radicals runaways abolitionists commoners and dreamers who no longer live as obedient or merely resistant subjects In this innovative genre and format bending publication Avery F Gordon the keeper of the Archive presents a selection of its documents original and compelling essays letters cultural analyses images photographs conversations friendship exchanges and collaborations with various artists Gordon creatively uses the imaginary of the Archive to explore the utopian elements found in a variety of resistive and defiant activity in the past and in the present zeroing in on Marxist critical theory and the black radical tradition Fusing critical theory with creative writing in a historical context The Hawthorn Archive represents voices from the utopian margins where fact fiction theory and image converge Reminiscent of the later fictions of Italo Calvino or Walter Benjamin's *Arcades Project* The Hawthorn Archive is a groundbreaking work that defies strict disciplinary
