**"The Greatest Game Ever Played in Dixie"** John A. Simpson, 2015-03-10 In 1908 baseball was the only game that mattered in the South With no major league team in the region rivalries between Southern Association cities such as Atlanta Birmingham Memphis and New Orleans were heated This season however no city was as baseball crazed as Nashville whose Vols had been league doormat in 1907 After an unpromising start the Nashville club clawed its way into contention during the month of July rising into the upper division then into a battle for first Local interest intensified as the competitive fire of Nashville fans was stoked by sharp tongued columnist Grantland Rice and the city's three daily newspapers By the time the Vols met the New Orleans Pelicans for a season ending series and the championship the city was gripped by a pennant fever that shut down the commercial district Nearly 13 000 people thronged the Nashville ballpark Sulphur Dell for the third and deciding contest What they saw was described by Rice as the greatest game ever played in Dixie

*Tales from the Wrong Side of the Couch* Drew Bridges, 2023-02-22 The training to become a psychiatrist is challenging and at times bewildering Once trained the practicing psychiatrist will continue to encounter people and situations for which he or she is not fully prepared Some of these experiences are ultimately rewarding and show doctors and patients at their very best others can overwhelm lead to anger or break your heart All can be stories worth telling Looking back on forty years of work the author selects most of his tales to illustrate his own naivete and sometimes the shortcomings of his peers and teachers Overall this is a hopeful and respectfully entertaining book about those who suffer and those who try to help

statistics have provided fans and researchers a gold mine of narrative and data since the late 19th century. Many books have been written about Major League Baseball's most famous games. This one takes a different approach focusing on MLB's most historically significant games. Some will be familiar to baseball scholars such as the October afternoon in 1961 when Roger Maris eclipsed Babe Ruth's single season home run record or the compelling sixth game of the 1975 World Series. Other fascinating games are less well known: the day at the Polo Grounds in 1921 when a fan named Reuben Berman filed a lawsuit against the New York Giants winning fans the right to keep balls hit into the stands; the first televised broadcast of an MLB game in 1939; opening night of the Houston Astrodome in 1965 when spectators no longer had to be taken out to the ballgame or the spectatorless April 2015 Orioles White Sox game played in an empty stadium in the wake of the Baltimore riots. Each game is listed in chronological order with detailed historical background and a box score.

**Napoleon Lajoie**  
David L. Fleitz, 2013-06-18 Napoleon Lajoie was the sixth player and the first second baseman to be elected to the Baseball Hall of Fame. During his career which lasted from 1896 to 1916 he was regularly called the King of Ballplayers and was widely regarded as the greatest baseball player of all time before Ty Cobb and Babe Ruth came along. Colorful, competitive and often unpredictable, Lajoie was so popular that the Cleveland team was called the Naps in his honor while he played for them. He was a multiple batting champion, the American League's first Triple Crown winner and the third member of the 3,000 hits club. This book is the first ever full-length biography of this long ago superstar.

**Character Is Not a Statistic: the Legacy and Wisdom of Baseball's Godfather Scout Bill Lajoie**  
Bill Lajoie, Anup Sinha, 2010-01-21 Bill Lajoie just had it. When it came to drafting ballplayers and building a World Series club, few in baseball history can match his extraordinary success. The lessons of Lajoie's illustrious career and the brilliance of his philosophy are put to print in *Character Is Not a Statistic*. After a playing career that fell achingly short of the major leagues, Lajoie returned to Detroit to become a teacher in the mid 1960s. But his unyielding passion for baseball and desire to atone for a broken dream pulled him back to the game as a scout. From there he'd go on to build World Series Championships from scratch by finding players who possessed the very character he lacked as a young athlete. Starting as an area scout for the Cincinnati Reds in 1965, Lajoie later moved up the ladder with the Detroit Tigers and was the architect and general manager of their 1984 World Series crown. Lajoie would then be instrumental as an assistant GM for two more franchises who dominated their decades with championships and titles: the 1990s Atlanta Braves and the 2000s Boston Red Sox. Perhaps no one alive has scouted more baseball over the last 50 years or has better stories to tell about finding the greats. Though the modern era has seen the depersonalization of scouting via statistics and radar gun readings, Lajoie was immensely successful through five decades by emphasizing what a player had inside him. His belief in a player's humanity and character persists to this day. This book is not only a biography but a collection of great baseball stories and a manual for the next generation of fans and scouts alike. Lajoie tackles such controversial issues as the Moneyball movement, the importance of a strong manager, scouting for makeup, making trades,

preventing pitching injuries running a farm system and ranking both the best general managers and scouting directors of the modern era

**The Greatest Minor League** Dennis Snelling, 2019-02-06 In 1903 a small league in California defied Organized Baseball by adding teams in Portland and Seattle to become the strongest minor league of the twentieth century Calling itself the Pacific Coast League this outlaw association frequently outdrew its major league counterparts and continued to challenge the authority of Organized Baseball until the majors expanded into California in 1958 The Pacific Coast League introduced the world to Joe Vince and Dom DiMaggio Paul and Lloyd Waner Ted Williams Tony Lazzeri Lefty O Doul Mickey Cochrane Bobby Doerr and many other baseball stars all of whom originally signed with PCL teams This thorough history of the Pacific Coast League chronicles its foremost personalities governance and contentious relationship with the majors proving that the history of the game involves far more than the happenings in the American and National leagues

**Urban Shocker** Steve Steinberg, 2017 2018 SABR Baseball Research Award Winner Baseball in the 1920s is most known for Babe Ruth and the New York Yankees but there was another great Yankee player in that era whose compelling story remains untold Urban Shocker was a fiercely competitive and colorful pitcher a spitballer who had many famous battles with Babe Ruth before returning to the Yankees Shocker was traded away to the St Louis Browns in 1918 by Yankees manager Miller Huggins a trade Huggins always regretted In 1925 after four straight seasons with at least twenty wins with the hapless Browns Shocker became the only player Huggins brought back to the Yankees He finally reached the World Series with the 1926 Yankees In the Yankees storied 1927 season widely viewed to be the best in MLB history Shocker pitched with guts and guile finishing with a record of 18 6 even while his fastball and physical skills were deserting him Hardly anyone knew that Shocker was suffering from an incurable heart disease that left him able to sleep only while sitting up and which would take his life in less than a year With his physical skills diminishing he continued to win games through craftiness and well placed pitches Delving into Shocker s baseball career his love of the game and his battle with heart disease Steve Steinberg shows the dominant and courageous force that he was

**George Westinghouse** William R. Huber, 2022-02-03 While most know Thomas Edison for his invention of the light bulb his counterpart George Westinghouse is too often overlooked Westinghouse however became known as one of the most prolific inventors and businessmen of the Industrial Revolution This biography reveals the man whose teachers suspected was mentally disabled and who quit college after one semester yet founded more than 60 different companies employing 50 000 people and received 361 U S patents He later fought the Battle of the Currents AC vs DC with Thomas Edison and won Westinghouse with his engineers provided power

and light for the 1893 World's Columbian Exposition in Chicago. They harnessed the massive power of Niagara Falls and sent it over wires to light Buffalo and eventually the Northeast. His electric engines powered trains and his air brakes stopped them. His scientific contributions forever changed the world. **Hard-Luck Harvey Haddix and the Greatest Game Ever Lost**

Lew Freedman, 2009-09-12. He pitched a baseball game that was more than perfect and yet he lost. Southpaw Harvey Haddix had logged a solid but unspectacular career by the time he took the mound on May 26, 1959. Facing the Milwaukee Braves, he set down the first 36 batters in a row or 12 innings worth a perfect game three innings longer than the norm. But his Pittsburgh Pirates couldn't score either and Haddix lost in the 13th inning on a controversial play. This book recounts Haddix's one-of-a-kind performance and describes the official decisions that changed the historical record. Jim Thorpe  
William A. Cook, 2011-07-29. Most biographies of Jim Thorpe, 1888-1953, emphasize his Olympic glory and his remarkable abilities in track and football. Thorpe's 1912 gold medals in the decathlon and pentathlon and his talent on the gridiron rank him high among outstanding athletes of the twentieth century. That Thorpe also played brilliantly on the baseball diamond is an often overlooked facet of his career. This narrative of Thorpe's rise and fall in American sports pays particular attention to his time in the major and minor leagues, including his stormy relationship with New York Giants manager John McGraw and baseball's role in stripping Thorpe of his Olympic medals. By chronicling Thorpe's involvement in baseball, football, and track concurrently, this profile offers a complete portrait of one of the most versatile athletes in sports history.

*In Cobb's Shadow* Dan D'Addona, 2015-09-30. Considered one of the greatest baseball players of all time, Ty Cobb cast a shadow over the game with his violent behavior on the field and off. His shadow was never darker than when it fell on his teammates. Sam Crawford, Harry Heilmann, and Heinie Manush were three of the greatest players in baseball history good enough to be in the National Baseball Hall of Fame. Each played in the Detroit outfield alongside Cobb, though their fame never reached the level of his. Little is remembered about this trio of Hall of Famers. Crawford, the all-time triples leader, Heilmann, the last right-handed batter to hit 400, and Manush, another batting champion, each made his own mark on the game detailed for the first time in this triple biography. **Pittsburgh's Greatest Teams** David Finoli, 2017-10-30.

Pittsburgh is synonymous with winning. From the Penguins and Steelers to the Pirates and Panthers, the Steel City knows championships. There must be something special in the water to make Pittsburgh so particularly gifted with its sports teams. The most famous teams in the city's history would most likely be the 1970s Steelers, known as the Steel Curtain for obvious reasons, and the Penguins, who raised the Stanley Cup five times. Names such as Lemieux, Crosby, Roethlisberger, Bradshaw, Clemente, and Stargell are legends of American sport and members of Pittsburgh's most cherished franchises, but for every sports legend and multi-million-dollar franchise, there are a dozen more talented players and long past teams that have been forgotten to history. The Negro League's Crawford and Homestead Grays are too often overlooked in the city's sports history but were as talented as any team that has played there. Author Dave Finoli ranks the fifty greatest teams that won trophies.

brought glory and lifted the hearts of Pittsburgh's devoted sports fans      **1975 Red Sox: American League Champions**
