The Sense Of An Ending:

The Sense of an Ending Julian Barnes, 2011 Includes poems of thwarted love and disappointment of raw desire of the stalking beast eye teeth and muzzle coated with blood poems that recognise we have too much to gain from the gods and this is why they fail to love us poems that tell of an obsessive lover coming to grief in a sequence that echoes the old murder ballads

The Sense of an Ending Frank Kermode, 2000-04-06 Frank Kermode is one of our most distinguished critics of English literature Here he contributes a new epilogue to his collection of classic lectures on the relationship of fiction to age old concepts of apocalyptic chaos and crisis Prompted by the approach of the millennium he revisits the book which brings his highly concentrated insights to bear on some of the most unyielding philosophical and aesthetic enigmas Examining the works of writers from Plato to William Burrows Kermode shows how they have persistently imposed their fictions upon the face of eternity and how these have reflected the apocalyptic spirit Kermode then discusses literature at a time when new fictive explanations as used by Spenser and Shakespeare were being devised to fit a world of uncertain beginning and end He goes on to deal perceptively with modern literature with traditionalists such as Yeats Eliot and Joyce as well as contemporary schismatics the French new novelists and such seminal figures as Jean Paul Sartre and Samuel Beckett Whether weighing the difference between modern and earlier modes of apocalyptic thought considering the degeneration of fiction into myth or commenting on the vogue of the Absurd Kermode is distinctly lucid persuasive witty and prodigal of ideas

Sense of an Ending Julian Barnes, 2011-08-04 A monumental novel capturing how one man comes to terms with the mutable past A masterpiece I would urge you to read and re read Daily Telegraph Winner of the Man Booker Prize for Fiction Tony Webster and his clique first met Adrian Finn at school Sex hungry and book hungry they would navigate the girl less sixth form together trading in affectations in jokes rumour and wit Maybe Adrian was a little more serious than the others certainly more intelligent but they all swore to stay friends for life Now Tony is retired He s had a career and a single marriage a calm divorce He s certainly never tried to hurt anybody Memory though is imperfect It can always throw up surprises as a lawyer s letter is about to prove

Cultures and Literatures in Dialogue Elena Bollinger, 2022-12-30 This book addresses the narrative construction of Russian cultural memory in the work of Julian Barnes It investigates how Barnes s texts tend to display a memory process as a transcultural mode of the creation of English and Russian national identities Examining a need to revisit Russian canonical works the detailed discursive analysis of the selected English texts exposes an intertextual remembering by duplication thus contributing to the prevention of forgetting through the recuperation of still misrecollected cultural meanings By creatively incorporating Russian intertextual elements into his work as a novelist the author seems to insist on sweeping across and beyond national boundaries revealing how frail the invention of tradition is when leading to the illusion of a solid collective memory and its political legitimization The book considers not only a

constructive dialogue between Barnes's fiction and Russian classical literature but also this writer's interpretative mostly imaginative integration of Russian literature and culture into his work as a novelist Exploring the double meaning of a literary metaphor as a mnemonic image of memory and a product of imagination it offers a comprehensive analysis of Barnes's texts which play with intertextuality as an efficient tool of displacement of official memory providing a deeper understanding of historical and cultural processes related to the constantly moving architecture of transcultural memory

The Sense of an Ending Julian Barnes, 2026-01-08 *John Ashbery and American Poetry* David Herd, 2000 A discussion of the poetry of John Ashbery Showing that a sense of occasion the sense that the poem should be fit for its occasion was a binding principle for the poets of the New York School David Herd traces the development of Ashbery's poetry in the light of this idea The book is a study of Ashbery's career and also a history of the period in which that career has taken shape The development of Ashbery's poetic is set against such culturally defining issues as the institutionalisation of literature the rise and fall of the avant garde mass culture Vietnam the absence of a divine presence the erosion of tradition the growth of celebrity and the emergence of AIDS Ashbery's responses to such issues are set against the work of Lowell Berryman O Hara Koch Burroughs Ginsberg Oppen and Larkin
