### **The Sheiks Missing Bride English Edition:**

*The Sheik's Blackmailed Bride* Elizabeth Lennox, 2015-07-10 Luna couldn't believe the chain of events that had led to her wedding day. All she'd wanted was to save her small village to help the residents to get out from underneath their crippling debt. So she'd written to the man who owned the bank. And here she was walking down the aisle toward a man she barely knew. A man who could make her body sing but who could crush her hopes and dreams with a few harsh words. Dassar needed a wife. The lovely Luna fit none of his criteria. She was too soft, too sweet, and would be hurt by palace life. So why couldn't he forget her? Why could she get under his skin so easily? And why couldn't he simply walk away? **The Sheik's**

**Secret Bride** Elizabeth Lennox, 2015-05-15 Their story began five years ago. Callie fell madly, crazily in love with Zahir. But the war in his country was raging, and nurturing their relationship was tenuous at best. When Callie was captured, the experience was terrifying. Zahir found and rescued her, but he knew it would be impossible to insulate her from danger in his country. Despite his wishes to be together, he knew that to keep her safe, he must send her away. However, he wouldn't let her go until she was his bride. In a secret wedding, he married her and then spirited her to safety. She arrived in her haven, traumatized, fearful, homeless, and pregnant. Slowly, she rebuilt her life, gave birth to her son, and somehow learned to get on with living without Zahir. For five long years, Callie recovered from the nightmare of her captivity. And she raised her son. When Zahir enters her life once more, she can't believe that the fire between them is hotter than before. But she refuses to give in despite its intensity. She's too afraid that the peace between the previously warring countries will end, and that she or her son could be in peril again. She yearns to feel safe but can she defy her heart or deny her son his father? **The Sheik's Mysterious**

**Mistress** Elizabeth Lennox, 2012-03-09 Dana Miller wanted anonymity, invisibility, and security. She'd given up ambition and excitement a year ago when she'd witnessed a murder. Now she was running from men who were trying to keep her from testifying. Finding a job inside the palace of the Sheik of Odar was perfect. No one associated with any criminal enterprises could get onto the palace grounds. She'd assumed working in the palace would keep her safe, but that was before Sheik Hassan Bin Faisir Al Takar promoted her to his executive assistant. She lost her anonymity, her security, and her heart to the dynamic sheik who turned her world upside down. Hassan had never met anyone as independent and spirited, not to mention beautiful, lush, and opinionated as the ever-cheerful Dana Miller. Everything about her was the opposite of what he expected, including her job interview where she tried to convince him that she would be a terrible person for the job. How could he not fall for someone like that? He just needed to find out what she was hiding. **The Sheik's Pregnant Lover** Elizabeth
