The Shifter S Stolen Steed Paranormal Shifter Menage:

Megan's Mates Ann Gimpel, 2018-03-20 Calgary Alberta 1936 After witnessing what might ve been a murder Megan is frantic to escape the Garden of Eden cult so she catches the night train north out of town Her lifetime commitment to the cult may well be her death sentence but she s not sticking around to let them frame her Wolf shifters Les and Karl eke out a primitive existence on the flanks of the Canadian Rockies Between Hunters who want to kill them and a wildfire raging out of control they re glad when Jed their clan leader shows up And even more delighted when they see who s in his car Jed s mate Alice spied Megan by the side of the road looking lost and desperate and offered her a ride Before Jed s car even stops rolling Les and Karl know she s their mate So skittish she s barely willing to exit the car Megan busies herself helping Jed and his pack mates unload supplies Can Les and Karl convince her to join her life to theirs If she does will the risks she faced as a cult member pale in comparison to being mated to shifters **The Power of the Pack** Maggie Ryan, Shanna

Handel, 2018-08-08 With an ancient evil once again threatening to destroy everything she loves Cassandra Ambrosia grows ever more determined in her search for the truth about herself and at last she makes a discovery which could hold the key to finally breaking the curse on her family forever As Cassandra continues her hunt for answers however her mates struggle to keep their headstrong little human safe from both her enemies and her own recklessness Deo and Draco do not hesitate to correct Cassandra as thoroughly and shamefully as they feel it necessary yet even when her cheeks are blushing crimson and her well punished bare bottom is sore both inside and out she cannot help delighting in the hard dominant lovemaking of her two alpha mates But the final battle is drawing nearer with every passing day and even a wolf and a dragon cannot overcome the foes who approach on their own If the Ambrosia family hopes to survive they will need more than just their skill and courage They will need the power of the pack Publisher s Note The Power of the Pack is the third book in the Shifters Call series It includes spankings and sexual scenes If such material offends you please don t buy this book **Treasured Find** ,

Hard Mated Jennifer Ashley, 2012-08-24 Bonus content Shifter made short story *Paranormal Shifters 1 - 3* Daisy Rose, 2019-07-15 In these three steamy short stories dominating Alpha Werewolves fall hard and fast for the hapless and inexperienced young shifters who look up to and depend on them They should do the right thing and keep their distance But they don t In this bundle you will find Pet Cat girl Rehabilitation has always been hard for Jason even if he is the best in his line of work His superior says because he s too soft for it but he knows the real reason why It s because he likes it too much he likes when they send him the broken ones the shifters that has been conditioned to be treated like the animals inside them It is only natural for someone in his profession to be handed the hardest cases When he starts reading about Anna in the papers how the poor shifter has ears and a tail like a cat and has forgotten most of what it means to be human he knows it is only a matter of time until she is handed to him What they don t know is that Anna is exactly what he wants in a mate and he has no desire to change anything about her Improper Thoughts Nigel knows it s wrong He sees the young rabbit shifter that

his young nephew is dating and knows that Ari is not meant to be his He can't help it She is always there looking so perfect in her cute little sundress so comfortable in his presence that she does not try to hide the rabbit ears from him Perhaps his nephew and him could learn to share Bad Work Etiquette Selena is a naive Shifter who has spent her entire life in a special home for shifters like her Her only link to the outside world is a Werewolf Erik is a successful man almost twice her age and they've never met in person but she can't wait to meet him when she's free Except a series of bad decisions sends her straight into the arms of a man who makes her submit to perverse terrible things Excerpt He's sure he has the trust part of the exercise down She is comfortable enough with him that she doesn't even pause when he turns his back to her in his quest to get his own meal It doesn't take her long at all to demolish her own meal finishing it up and then settling on her knees licking the back of her hand to wipe her face He takes his time with his own meal taking bites of the deliberately underdone steak and licking up the blood before it can drip down his chin She crawls closer to him on the table tail wagging curiously behind her ears perked back He wonders if she has to beg for scraps this way during her captivity She makes a soft inquiring noise that garners his attention Yes Kitten he asks looking up Then he chuckles She has mayonnaise smeared over her chin and cheek pieces of salmon stuck on her nose Look at you he says pinching her chin between his forefinger and thumb and tilting her head up You've made such a mess of yourself Kitten He draws her forward without thinking and licks over her cheek and chin cleaning her up the way wolves do the flat of his tongue running over her cheek and closed eye She tastes sweet the mayo clinging to her skin with an undertone of her own sweet scent and the clean taste of the salad side dish his chef had prepared for her She leans into his touch eagerly purring as he grooms her with his tongue There you go he says wiping his own saliva from her cheek fondly He's going about this all the wrong ways deliberately encouraging her animal instincts by piling his own on top of it Tomorrow he thinks to himself He will start the program tomorrow Today he will enjoy having her like this mostly human with a mind that is more animal She crawls off the table once he is done with grooming her face and curls up at his feet smelling heavily of contentment
