The Smile Of The Lamb:

The Smile Of The Lamb David Grossman, 2014-07-31 Uri and Katzman are Israeli soldiers occupying a Palestinian village in the West Bank Uri is idealistic and full of hope feels the injustice of the occupation keenly and becomes close to Khilmi the village storyteller Katzman on the other hand is a contracted muscle he has taught himself not to feel And Shosh Uri's wife daughter of liberal immigrant parents and juvenile psychiatrist is succumbing to her own struggles with power and truth When Khilmi's adopted son is killed in a security operation and when Uri discovers how far deception and injustice have penetrated into his own life their reactions are drastic and unforeseen

Inextricably Bonded Rachel Feldhay Brenner, 2004-04-01 Despite the tragic reality of the continuing Israeli Arab conflict and deep rooted beliefs that the chasm between Israeli Jews and Israeli Arabs is unbridgeable this book affirms the bonds between the two communities Rachel Feldhay Brenner demonstrates that the literatures of both ethnic groups defy the ideologies that have obstructed dialogue between the two peoples Brenner argues that literary critics have ignored the variety and the dissent in the novels of both Arab and Jewish writers in Israel giving them interpretations that embrace the politics of exclusion and conform with Zionist ideology Brenner offers insightful new readings that compare fiction by Jewish writers Amos Oz A B Yehoshua David Grossman and others with fiction written in Hebrew by such Arab Israeli writers as Atallah Mansour Emile Habiby and Anton Shammas This parallel analysis highlights the moral and psychological dilemmas faced by both the Jewish victors and the Arab vanquished and Brenner suggests that the hope for release from the historical trauma lies on both sides in reaching an understanding with and of the adversary Drawing upon the theories of Walter Benjamin Jacques Lacan Sigmund Freud Emanuel Levinas and others *Inextricably Bonded* is an innovative and illuminating examination of literary dissent from dominant ideology

The smile of the lamb David Grossman, 1992

The Arab in Israeli Drama and Theatre Dan Urian, 2013-09-13 What is Israeli theatre Is it only a Hebrew theatre staged in Israel Are performances by Arab Israelis working in an Arabic theatre framework not part of the repertoire of Israeli theatre Do they perhaps belong to the Palestinian theatre What are the borders of Palestinian theatre Are not theatrical works created in East Jerusalem by Arab Israeli playwrights and actors and staged on occasion before Jewish Israeli audiences part of a dialogue between Palestinian and Israeli cultures Does theatre only include works staged under that title These and other similarly absorbing questions arise in Dan Urian's wide ranging and detailed study of the image of the Arab in Israeli drama and theatre By the use of extensive examples to show how theatre politics and personal perceptions intertwine the author presents us with a model which can be used as a basis for the further discussion and study of similar social and artistic phenomena in other cultures in relation to their theatre and drama

Palestinians and Israelis in the Theatre Dan Urian, 2006-02 The Jewish Israeli theatre is a complex and developed system in which the dispute with the Palestinians constitutes just one of the important components in its repertoire while the Palestinian theatre both within and outside of Israel is being consolidated This work brings together

these two approaches by relating to the Palestinian theme as it appears in the Jewish Israeli theatre and by attempting to characterize the Palestinian theatre in general

Signatures of Struggle Oded Nir, 2018-01-01 A Marxist history of Israeli literature tracing the relations between economic social and aesthetic transformations *Signatures of Struggle* offers a unique perspective on Israeli literature bringing Marxist cultural critique to bear on a field from which it has hitherto been absent Oded Nir moves beyond the dominant interpretive horizon of Israeli literary criticism the relation of literature to national ideology Rather than reproducing the usual narrative in which fiction resists the nation's goals Nir demonstrates how in each historical moment literary engagement with national ideology is a means to think through social tensions or contradictions internal to Israeli society to solve in imagination problems that threaten the social order Focusing on moments of transformation Nir argues that the 1950s crisis of realism was the result of the failure rather than the success of the collective transformative project of the *halutzim* the settler vanguard of Zionism In the 1980s the postmodern turn expressed a crisis of social imagination whose origin was the incorporation of Palestinians into the Israeli economy after the 1967 war Finally he shows that the ways in which history is imaginatively reworked in contemporary Israeli fiction can only be understood through the context of 1950s and 1980s literature Authors analyzed include Yigal Mossinsohn Nathan Shaham Hanoach Bartov Yehudit Hendel Orly Castel Bloom Yehudit Katzir David Grossman Yehoshua Kenaz and Batya Gur Nir's mastery of relevant studies on Hebrew literature is impressive as is his erudition when it comes to theoretical works His textual analyses are insightful and original The book makes a tremendous contribution to literary scholarship but it is also one of the most important contributions to the entire field of Israel studies in this century Eran Kaplan author of *Beyond Post Zionism* This is a well written brilliantly conceptualized project I have little doubt it will change the way Zionist historiography and the history of Hebrew literature will be discussed Nitzan Lebovic author of *Zionism and Melancholy The Short Life of Israel Zarchi*

The Lamb Was Sure to Go Jackie Sonnenberg, 2025-10-31 The Antichrist has been born and Father Atticus knows it Overwhelmed with visions of a great evil that will bring horror and destruction to earth Father Atticus is locked up in an asylum But outside the terror rears its head and it's in a form he never saw coming Mary was wicked the moment she was born and as she grew up the worse she got She is thought a monster by her parents teacher and classmates until she makes a very important friend a lamb born just like her The lamb's loyalty is undying just as Mary's loyalty to the Voice is undying Mary knows the Voice is the master she was born to serve and the lamb will serve her in kind Together they embark on the very path to destruction Father Atticus foretold intending to free the Voice from Hell Father Atticus must stop his visions from coming true though he's never gotten a clear picture of just who he's up against

Borders, Territories, and Ethics Adia Mendelson-Maoz, 2018-08-15 *Borders Territories and Ethics Hebrew Literature in the Shadow of the Intifada* by Adia Mendelson Maoz presents a new perspective on the multifaceted relations between ideologies space and ethics manifested in contemporary Hebrew literature dealing with the Israeli Palestinian conflict and

the occupation In this volume Mendelson Maoz analyzes Israeli prose written between 1987 and 2007 relating mainly to the first and second intifadas written by well known authors such as Yehoshua Grossman Matalon Castel Bloom Govrin Kravitz and Levy Mendelson Maoz raises critical questions regarding militarism humanism the nature of the State of Israel as a democracy national identity and its borders soldiers as moral individuals the nature of Zionist education the acknowledgment of the Other and the sovereignty of the subject She discusses these issues within two frameworks The first draws on theories of ethics in the humanist tradition and its critical extensions especially by Levinas The second applies theories of space and in particular deterritorialization as put forward by Deleuze and Guattari and their successors Overall this volume provides an innovative theoretical analysis of the collage of voices and artistic directions in contemporary Israeli prose written in times of political and cultural debate on the occupation and its intifadas *Sunny Child Life; Or, Louisa Manners.
